1. Infrastructure Development and Augmentation Policy

1. Preamble

St. Ann's College for Women, Gorantla, Guntur, established under the management of the Society of Congregation of Sisters of St. Anne, Phirangipuram, is committed to providing quality infrastructure and learning resources that support academic excellence, holistic development, research, innovation, and student welfare.

In alignment with the guidelines of the University Grants Commission (UGC), National Assessment and Accreditation Council (NAAC), APSCHE, and Government regulations, the institution adopts this Infrastructure Development and Augmentation Policy to ensure systematic planning, development, maintenance, modernization, and optimal utilization of physical and digital infrastructure facilities. (ugc.gov.in ; naac.gov.in)

The institution continuously strives to create a safe, inclusive, technology-enabled, eco-friendly, and learner-centric campus environment for effective teaching-learning and institutional development.

2. Vision

To develop and maintain modern, inclusive, sustainable, and technology-enabled infrastructure facilities that support academic excellence and holistic development.

3. Mission

- To provide adequate infrastructure for effective teaching-learning processes.
- To strengthen ICT-enabled academic and administrative facilities.
- To ensure continuous augmentation and modernization of institutional infrastructure.
- To create a safe, accessible, eco-friendly, and student-friendly campus environment.
- To support research, innovation, extension, and co-curricular activities through quality infrastructure.

4. Objectives

The objectives of this policy are to:

1. Ensure adequate infrastructure facilities for academic and administrative activities.
2. Promote continuous development and modernization of infrastructure.

3. Enhance ICT-enabled teaching-learning facilities.
4. Support research, innovation, and skill development through infrastructure augmentation.
5. Provide safe, secure, inclusive, and accessible campus facilities.
6. Promote optimum utilization and proper maintenance of institutional resources.
7. Strengthen green campus and sustainability initiatives.
8. Support student welfare, sports, cultural, and extension activities.
9. Ensure compliance with NAAC, UGC, APSCHE, and statutory norms.

5. Scope of the Policy

This policy covers:

- Academic Infrastructure
- Administrative Infrastructure
- ICT Infrastructure
- Laboratory Facilities
- Library Resources
- Sports and Physical Education Facilities
- Student Support Facilities
- Safety and Security Infrastructure
- Green Campus and Sustainability Measures
- Maintenance and Resource Utilization

6. Principles of Infrastructure Development

The institution shall follow the following principles:

a) Quality and Adequacy

Provision of adequate and quality infrastructure facilities.

b) Accessibility and Inclusiveness

Creation of accessible and inclusive facilities for all stakeholders.

c) Sustainability

Promotion of eco-friendly and sustainable infrastructure practices.

d) Technology Integration

Integration of ICT and digital technologies in infrastructure development.

e) Safety and Security

Provision of safe, secure, and healthy campus environment.

f) Optimum Utilization

Efficient utilization and maintenance of institutional infrastructure.

7. Academic Infrastructure

The institution shall provide adequate infrastructure for academic activities including:

- Spacious and well-ventilated classrooms
- Smart classrooms and ICT-enabled teaching facilities
- Seminar halls and conference facilities
- Laboratories with required equipment and safety measures
- Departmental rooms and faculty workspaces
- Research and innovation support facilities

Infrastructure augmentation shall be carried out based on:

- Student strength
- Programme expansion
- Technological advancements
- Academic requirements

8. Library and Learning Resources

The institution shall strengthen:

- Central library facilities
- Digital library and e-resources
- Reference books and journals
- OPAC and library automation
- Reading rooms and study spaces
- Access to online databases and learning resources

The library shall support teaching, learning, research, and lifelong learning needs.

9. ICT Infrastructure

The institution shall provide and upgrade:

- Computer laboratories
- Internet and Wi-Fi facilities
- Smart boards and projectors
- Learning Management Systems (LMS)
- Digital communication systems
- ERP and e-governance systems
- Online teaching-learning support platforms

ICT facilities shall be upgraded periodically to meet evolving academic and administrative needs.

10. Student Support Infrastructure

The institution shall provide facilities for:

- Counseling and mentoring
- Common rooms and rest rooms
- Drinking water and sanitation facilities
- Health and wellness support
- Canteen and recreational facilities
- Career guidance and placement support
- Hostel facilities (where applicable)

11. Sports and Physical Education Facilities

The institution shall promote physical fitness and holistic development through:

- Sports grounds and courts
- Indoor and outdoor sports facilities
- Physical education equipment
- Gymnasium and fitness facilities (where applicable)
- Facilities for yoga and wellness activities

12. Safety and Security Measures

The institution shall ensure:

- CCTV surveillance and campus security
- Fire safety equipment and emergency systems
- First aid and health support facilities
- Disaster management and safety awareness measures
- Safe and secure campus environment for women students and staff

13. Green Campus and Sustainability Initiatives

The institution shall promote sustainable infrastructure practices including:

- Energy conservation measures
- Water conservation and rainwater harvesting
- Waste management systems
- Plastic-free campus initiatives
- Tree plantation and green landscaping
- Environmental awareness programmes

14. Infrastructure Maintenance

The institution shall ensure:

- Regular maintenance and repair of infrastructure facilities
- Periodic inspection of equipment and utilities
- Preventive maintenance systems
- Proper stock and asset management
- Annual verification of infrastructure resources

Maintenance responsibilities shall be assigned to concerned departments and committees.

15. Resource Mobilization for Infrastructure Development

Funds for infrastructure development and augmentation may be mobilized through:

- Institutional budget allocation
- UGC and Government grants
- APSCHE support schemes

- CSR initiatives and sponsorships
- Alumni contributions
- Donations and endowments
- Research and development grants

16. Role of Finance Committee and Management

The Management and Finance Committee shall:

- Review infrastructure requirements and proposals
- Approve budget allocations for development works
- Monitor infrastructure utilization and maintenance
- Ensure transparency and accountability in infrastructure expenditure

17. Role of IQAC

The Internal Quality Assurance Cell (IQAC) shall:

- Monitor adequacy and quality of infrastructure facilities
- Review infrastructure support for academic and quality enhancement activities
- Facilitate feedback collection regarding infrastructure facilities
- Recommend improvements and modernization measures

18. Monitoring and Evaluation

The implementation of this policy shall be monitored through:

- Infrastructure audits
- Departmental reviews
- Student and stakeholder feedback
- IQAC monitoring
- Annual maintenance and utilization reports

Periodic assessment shall be conducted for continuous improvement and augmentation.

19. Policy Review

This policy shall be reviewed periodically by the Management, IQAC, and concerned committees to ensure alignment with revised NAAC, UGC, APSCHE, and Government guidelines.

20. Conclusion

St. Ann's College for Women, Gorantla, Guntur, is committed to providing quality infrastructure and continuous augmentation of facilities to support academic excellence, research, innovation, student welfare, and institutional growth. Through systematic infrastructure planning, modernization, maintenance, and sustainable practices, the institution strives to create an inclusive, safe, technology-enabled, and learner-centric environment in accordance with NAAC and UGC standards.
