PURCHASE POLICY

1. PREAMBLE

St. Ann's College for Women, Gorantla, Guntur is committed to maintaining transparency, accountability, economy, quality, and sustainability in the procurement of goods, equipment, services, furniture, laboratory materials, ICT resources, library resources, and infrastructure-related items.

This Purchase Policy provides a standardized framework for procurement activities to ensure optimum utilization of institutional funds while complying with NAAC quality parameters, NSF sustainability requirements, financial regulations, and internal control mechanisms.

2. OBJECTIVES

The objectives of this policy are to:

1. Ensure transparent and fair procurement practices.
2. Obtain quality goods and services at competitive prices.
3. Promote accountability in the utilization of institutional resources.
4. Support academic, administrative, research, extension, and student support activities.
5. Encourage procurement of environmentally sustainable and energy-efficient products.
6. Maintain proper records for audit, NAAC accreditation, NSF Green Campus assessment, and statutory compliance.
7. Prevent conflict of interest and favoritism in purchasing decisions.

3. SCOPE

This policy applies to the procurement of:

- Laboratory equipment and consumables
- ICT equipment and software
- Furniture and fixtures
- Library books, journals, and e-resources
- Office equipment and stationery
- Sports equipment
- Electrical and maintenance materials
- Housekeeping and sanitation supplies
- Green campus and sustainability-related materials
- Civil and infrastructure works
- Consultancy and professional services

4. PURCHASE COMMITTEE

The College shall constitute a Purchase Committee consisting of:

Position	Role
Correspondent	Management Representative
Principal	Chairperson
Vice Principal	Member

Position	Role
Correspondent	Management Representative
Administrative Officer	Member
Accounts Officer	Member
Concerned Department Head	Member
Store In-charge	Member
Purchase Coordinator	Member Secretary

Responsibilities

The Purchase Committee shall:

- Examine purchase requirements.
- Verify budget availability.
- Invite quotations/tenders.
- Evaluate suppliers.
- Recommend procurement decisions.
- Ensure quality, cost-effectiveness, and sustainability.
- Maintain procurement records.

5. PROCUREMENT PRINCIPLES

All purchases shall be guided by:

Transparency

All procurement processes shall be documented.

Economy

Best value for money shall be ensured.

Competition

Competitive quotations shall be obtained wherever applicable.

Quality

Procured items must meet approved specifications.

Sustainability

Preference shall be given to:

- Energy-efficient products
- Eco-friendly materials
- Recyclable products
- Green-certified equipment
- Water-saving devices

6. PURCHASE PROCEDURE

Step 1: Requirement Identification

Department submits Purchase Requisition Form.

Step 2: Verification

Department Head verifies the requirement.

Step 3: Budget Approval

Accounts Section confirms budget availability.

Step 4: Approval

Principal grants administrative approval.

Step 5: Quotation Process

Up to ₹10,000

- Local market purchase permitted with approval.

₹10,001 – ₹50,000

- Minimum 3 quotations required.

₹50,001 – ₹2,00,000

- Comparative statement and Purchase Committee approval mandatory from the Mananamegt

Above ₹2,00,000

- Submission of Proposal to the Management .

7. VENDOR SELECTION CRITERIA

Vendors shall be evaluated based on:

- Quality standards
- Cost competitiveness
- Warranty support
- Delivery schedule
- Previous performance
- Environmental compliance
- Service support availability

8. PURCHASE ORDER

After approval:

- Purchase Order (PO) shall be issued.
- PO shall include:
 - Item specifications
 - Quantity
 - Price
 - Delivery schedule
 - Warranty terms
 - Payment conditions

9. RECEIPT AND INSPECTION

Upon receipt:

1. Verification of quantity.
2. Inspection of quality/specifications.
3. Preparation of Goods Receipt Note (GRN).
4. Entry in Stock Register.
5. Installation report where applicable.

Any discrepancy shall be immediately reported to the supplier.

10. PAYMENT PROCEDURE

Payments shall be processed only after:

- Receipt verification
- Submission of invoice
- Stock entry certification
- User department confirmation
- Approval from competent authority

Payments shall preferably be made through digital banking channels.

11. STOCK AND ASSET MANAGEMENT

The College shall maintain:

- Stock Register
- Consumables Register
- Dead Stock Register
- Asset Register

- ICT Asset Register
- Laboratory Equipment Register

Annual physical verification shall be conducted.

12. EMERGENCY PURCHASES

Emergency purchases may be undertaken for:

- Safety-related requirements
- Examination needs
- Laboratory emergencies
- Essential repairs

Such purchases require:

- Principal's approval
- Post-facto ratification by Purchase Committee

STANDARD OPERATING PROCEDURE (SOP)

OPERATION AND MAINTENANCE OF PHYSICAL, ACADEMIC, AND SUPPORT FACILITIES

1. PREAMBLE

St. Ann's College for Women, Gorantla, Guntur, is committed to providing a safe, functional, clean, and sustainable campus environment that supports teaching, learning, research, and student development. To ensure the optimum performance and longevity of institutional infrastructure and resources, the College has established a systematic mechanism for the operation, inspection, maintenance, repair, and monitoring of all campus facilities.

This Standard Operating Procedure (SOP) serves as a guideline for maintaining physical infrastructure, utilities, equipment, safety systems, ICT resources, and green campus facilities in compliance with NSF, NAAC, and institutional quality standards.

2. OBJECTIVES

The objectives of this SOP are to:

1. Ensure uninterrupted functioning of campus facilities.
2. Maintain safety, hygiene, and sustainability standards.
3. Prevent deterioration of infrastructure through timely maintenance.
4. Promote efficient utilization of institutional resources.
5. Establish accountability and monitoring mechanisms.
6. Enhance the lifespan of equipment and facilities.
7. Ensure compliance with NSF and NAAC quality requirements.

3. SCOPE

This SOP applies to:

- Academic Buildings and Classrooms
- Laboratories
- Library
- Computer Laboratories
- Administrative Offices
- Electrical Installations
- Water Supply and Sanitation Systems
- Furniture and Fixtures
- ICT Infrastructure
- RO Water Purification System
- Green Campus Facilities
- Fire Safety Equipment
- CCTV Surveillance Systems
- Campus Roads and Common Areas

4. MAINTENANCE COMMITTEE

The College shall constitute a Maintenance Committee to oversee the operation and upkeep of campus facilities.

Composition

Position	Responsibility
Principal	Overall supervision and approval
Vice Principal / Administrative Officer	Coordination and monitoring
Maintenance In-charge	Inspection and reporting
Heads of Departments	Identification of departmental requirements
System Administrator	ICT maintenance
Laboratory In-charges	Laboratory equipment maintenance
Electrician / Technician	Electrical and technical repairs
Housekeeping Supervisor	Sanitation and cleanliness
Security Personnel	Safety and security monitoring

5. OPERATION AND MAINTENANCE PROCEDURES

A. Building Infrastructure

The College shall ensure:

- Quarterly inspection of classrooms, laboratories, offices, and common areas.
- Timely repair of doors, windows, flooring, ceilings, and roofing.
- Periodic painting and beautification works.
- Maintenance of drainage systems and pathways.
- Recording of maintenance activities in the Building Maintenance Register.

B. Electrical Systems

To ensure safety and uninterrupted power supply:

- Daily monitoring of electrical installations.
- Replacement of damaged switches, lights, fans, and wiring.
- Periodic inspection of electrical panels.
- Preventive maintenance every six months.
- Promotion of energy conservation through LED lighting.

C. Information and Communication Technology (ICT)

The College shall maintain:

- Computers, printers, scanners, projectors, and networking devices.
- Antivirus protection and software updates.
- Data backup and cybersecurity measures.
- Annual Maintenance Contracts (AMC) wherever applicable.
- ICT Maintenance Register and Service Reports.

D. Laboratory Equipment

Laboratory facilities shall be maintained through:

- Periodic servicing and calibration.

- Safe handling and storage procedures.
- Immediate reporting of malfunctioning equipment.
- Maintenance of equipment service records.

E. Water Supply and Plumbing

The institution shall ensure:

- Continuous availability of safe drinking water.
- Periodic inspection of pipelines, taps, pumps, and drainage systems.
- Immediate rectification of leakages.
- Cleaning of overhead and underground water tanks at least twice annually.
- Maintenance of Water Tank Cleaning Register.

F. Sanitation and Housekeeping

The College shall maintain:

- Daily cleaning of classrooms, laboratories, library, offices, and washrooms.
- Proper waste segregation and disposal.
- Pest control measures at regular intervals.
- Hygienic campus surroundings and common areas.

G. Green Campus Maintenance

The institution shall promote environmental sustainability through:

- Maintenance of botanical, herbal, fruit, vegetable, butterfly, ornamental, and avenue plantation gardens.
- Water conservation practices.
- Tree plantation and campus greening programmes.
- Regular upkeep of lawns and landscaped areas.

H. Safety and Security Systems

To ensure campus safety:

- Periodic inspection of fire extinguishers.
- Maintenance of emergency exit signage.
- Regular monitoring of CCTV surveillance systems.
- Verification of safety equipment functionality.
- Maintenance of Security and Safety Registers.

6. PREVENTIVE MAINTENANCE SCHEDULE

Facility	Frequency
Buildings & Infrastructure	Quarterly
Electrical Systems	Quarterly
Computers & ICT Equipment	Monthly
Laboratory Equipment	Semester-wise
Water Tanks	Half-Yearly
RO Water Plant	Quarterly
Fire Extinguishers	Annual Inspection
CCTV Systems	Quarterly
Furniture & Fixtures	Annual

Facility	Frequency
Gardens & Landscape	Continuous

7. MAINTENANCE COMPLAINT AND REDRESSAL MECHANISM

Step 1

Faculty, staff, or students report maintenance issues to the concerned department or Maintenance Committee.

Step 2

Complaint is entered in the Maintenance Register.

Step 3

Inspection is conducted by the Maintenance In-charge.

Step 4

Repair or servicing is assigned to the concerned technician or agency.

Step 5

Completion of work is verified and documented.

Step 6

The complaint is closed after satisfactory resolution.

8. DOCUMENTATION AND RECORDS

The following records shall be maintained:

Infrastructure Records

- Building Maintenance Register
- Furniture Maintenance Register
- Asset Register

Utility Records

- Electrical Maintenance Register
- Plumbing Maintenance Register
- Water Tank Cleaning Register
- RO Plant Maintenance Register

Academic Facility Records

- Laboratory Equipment Maintenance Register
- ICT Maintenance Register
- Library Maintenance Register

Safety Records

- Fire Safety Inspection Register
- CCTV Maintenance Register
- Security Duty Register

Administrative Records

- Complaint Register
- Service Request Forms
- AMC Agreements
- Annual Maintenance Reports

9. ENERGY CONSERVATION AND SUSTAINABILITY PRACTICES

The College promotes sustainable resource management through:

- Use of LED lighting across the campus.
- Responsible utilization of electrical equipment.
- Periodic monitoring of energy consumption.
- Water conservation measures.
- Green landscaping and plantation activities.
- Environmental awareness programmes for students.

10. MONITORING AND REVIEW

The Maintenance Committee shall:

- Conduct quarterly reviews of campus facilities.
- Verify maintenance records and service reports.
- Assess infrastructure requirements annually.
- Recommend corrective and preventive actions.
- Submit an Annual Maintenance Status Report to the Principal.

11. EXPECTED OUTCOMES

Implementation of this SOP shall result in:

- Safe and learner-friendly campus environment.
- Improved infrastructure quality and functionality.
- Reduced breakdown and repair costs.
- Enhanced safety and security.
- Better resource utilization.
- Sustainable campus management.
- Compliance with NSF, NAAC, and institutional quality benchmarks.
