Entrepreneurship Development / Innovation & Start-Up Policy

The following policy draft is prepared for St. Ann's College for Women, Gorantla, Guntur, an affiliated women's college, in alignment with UGC guidelines, AICTE innovation and entrepreneurship initiatives, and NAAC quality enhancement practices.

1. Preamble

St. Ann's College for Women, Gorantla, Guntur, is committed to promoting entrepreneurship, innovation, creativity, leadership, and self-employment opportunities among students. The institution recognizes entrepreneurship as an essential component of higher education that empowers students with professional competencies, business awareness, and employability skills.

The Entrepreneurship Development / Innovation & Start-Up Policy aims to create an entrepreneurial ecosystem within the institution by encouraging students and faculty members to participate in innovation-driven, skill-oriented, and industry-focused activities. The policy supports the vision of UGC, AICTE, and NAAC in promoting innovation, start-up culture, skill development, and women empowerment through higher education.

2. Vision

To nurture an entrepreneurial and innovation-oriented academic environment that empowers women students with creativity, leadership, business skills, and self-employment capabilities.

3. Mission

- To promote entrepreneurship and innovation among students and faculty
- To encourage self-employment and start-up awareness
- To develop leadership, communication, and business management skills
- To provide exposure to innovation, industry trends, and entrepreneurial opportunities
- To strengthen employability and skill development practices

4. Objectives of the Policy

The Entrepreneurship Development / Innovation & Start-Up Policy aims to:

- Promote entrepreneurial mindset and innovative thinking among students
- Encourage students to become job creators rather than job seekers

- Create awareness about start-ups, entrepreneurship, and government support schemes
- Enhance leadership, communication, and business management skills
- Encourage innovative business ideas and project development
- Promote skill-based and industry-oriented learning practices
- Facilitate interaction with entrepreneurs, professionals, and industry experts
- Support women entrepreneurship and economic empowerment
- Encourage participation in innovation and entrepreneurship activities

5. Scope of the Policy

This policy applies to:

- Students of all programmes
- Faculty members
- Entrepreneurship and innovation-related activities
- Skill development and training programmes
- Start-up awareness and incubation initiatives
- Industry interaction and collaborative activities

The policy covers academic, co-curricular, extension, innovation, and entrepreneurship development activities conducted by the institution.

6. Functions of the Entrepreneurship Development Cell

The Entrepreneurship Development / Innovation & Start-Up Centre shall:

- Organize awareness programmes, workshops, seminars, FDPs, and training programmes on entrepreneurship and innovation
- Conduct add-on and certificate courses related to entrepreneurship and start-up development
- Encourage students to develop innovative business ideas, projects, and prototypes
- Provide awareness regarding government schemes, funding agencies, and entrepreneurial opportunities
- Facilitate interaction with entrepreneurs, business leaders, and industry experts
- Promote financial literacy, leadership, communication, and management skills

- Conduct employability enhancement and skill development activities
- Encourage participation in innovation competitions, exhibitions, and entrepreneurship events
- Maintain records, reports, and documentation of all entrepreneurship development activities
- Coordinate entrepreneurship initiatives in collaboration with IQAC and academic departments

7. Major Activities

The institution shall organize:

- Entrepreneurship Awareness Programmes (EAPs)
- Workshops and seminars on innovation and start-ups
- Business plan and idea presentation competitions
- Leadership and personality development programmes
- Skill development and employability training sessions
- Financial literacy and business management workshops
- Interaction with entrepreneurs and industry experts
- Certificate courses and add-on programmes
- Innovation exhibitions and entrepreneurial activities
- Awareness programmes on government schemes and funding support

8. Roles and Responsibilities

Chairperson

- Provide leadership and guidance for entrepreneurship development initiatives
- Monitor implementation of entrepreneurship activities and policies

Convener

- Coordinate planning and execution of EDC programmes and activities
- Maintain records, reports, and documentation of activities

Members

- Support organization of workshops, seminars, and training programmes
- Encourage student participation in entrepreneurship and innovation activities

Students

- Participate actively in entrepreneurship and innovation programmes
- Develop innovative ideas, projects, and entrepreneurial initiatives

9. Industry Interaction and Collaboration

The institution shall encourage collaboration with industries, entrepreneurs, organizations, and professional bodies to:

- Promote practical learning and industry exposure
- Encourage entrepreneurial and skill-based learning
- Facilitate internships, training, consultancy, and collaborative activities
- Enhance employability and professional competencies
- Promote innovation and start-up awareness among students

10. Women Entrepreneurship and Empowerment

As a women's institution, the college shall promote women entrepreneurship and economic empowerment through:

- Entrepreneurship awareness programmes for women students
- Leadership and confidence-building activities
- Financial literacy and self-employment guidance
- Skill-based training programmes
- Awareness on women entrepreneur support schemes and initiatives

11. Expected Outcomes

The implementation of this policy is expected to:

- Develop entrepreneurial and innovative mindset among students
- Promote self-employment and start-up awareness
- Enhance leadership, creativity, communication, and management skills
- Improve employability and professional competencies
- Encourage women entrepreneurship and economic independence
- Strengthen innovation and entrepreneurship culture within the institution

12. Review and Amendments

The Entrepreneurship Development / Innovation & Start-Up Policy shall be reviewed periodically and updated whenever necessary in accordance with UGC, AICTE, NAAC guidelines, and institutional requirements.

13. Conclusion

St. Ann's College for Women, Gorantla, Guntur, is committed to fostering entrepreneurship, innovation, leadership, and skill development among students through a supportive academic environment. The Entrepreneurship Development / Innovation & Start-Up Policy aims to empower women students with entrepreneurial competencies, creativity, and confidence to contribute meaningfully to society and the economy.
