Ref. No.

Memorandum of Understanding

Date : 10/9/2024.....

Between

Pasteur Education And Research Training Laboratory, Guntur

And

Department of Biotechnology.

St. Ann's College for Women, Gorantla-Guntur-34

This Memorandum of Understanding (MOU) sets for the terms and understanding between The Department of Biotechnology St. Ann's College for Women Gorantla, Guntur and Pasteur Education and Research Training Laboratory, Guntur to establish Academic and Professional exchanges., .

Background

Though there is a huge demand globally for skilled graduates, the Insufficient support for laboratory infrastructure up graduation in academia, inability to give good dissertation or academic projects for graduates, lack of Industry exposure for students making them unemployable. To create a ecosystem that lead to academic achievements though industry collaboration and establish knowledge network which will pave the way to sustainability.

Purpose

Both the patterns have found it mutually beneficial to explore cooperative activities for the following purposes:

- Organization of workshops/ Training programmers, Internships, Placement of BSc students wherever it is possible.
- Collaboration in research activities of faculty for fulfilment of projects.

Reporting

It is understood that the details of the joint activities / conditions for the utilization of the results achieved, arrangement for specific visits, exchange and all other form of cooperation will be handled on mutually agreeable terms for each specific case.
