

College Committees, Cells & Clubs

St. Ann's College for Women constitutes various statutory, academic, administrative, co-curricular, student support, extension, and quality assurance committees, cells, clubs, and units for the effective functioning of the institution. These bodies play a significant role in promoting academic excellence, student welfare, discipline, leadership, innovation, research culture, community engagement, and institutional quality enhancement in accordance with the guidelines of UGC, NAAC, APSCHE, and other regulatory authorities.

The committees and cells actively organize academic programmes, awareness campaigns, workshops, seminars, outreach activities, counselling sessions, skill development programmes, extension initiatives, and quality assurance practices to ensure the holistic development of students and continuous institutional growth.

The Constitution Orders and Activity Reports of the respective committees/cells for the academic years are provided below for reference, transparency, and institutional documentation purposes.
