GRIEVANCE REDRESSAL CELL ANNUAL ACTIVITY REPORT Academic Year 2024–2025

Introduction

The Grievance Redressal Cell of St. Ann's College for Women, Gorantla, Guntur, functions as an important mechanism for addressing the concerns and grievances of students in a fair, transparent, and confidential manner. The Cell is committed to maintaining a harmonious academic environment by ensuring that students have access to an effective platform for expressing their concerns and obtaining timely resolutions. During the academic year 2024–2025, the Cell actively worked towards safeguarding student welfare and promoting a culture of mutual respect, accountability, and institutional responsiveness.

Objectives

- To provide a transparent and accessible mechanism for redressing student grievances.
- To ensure fair and prompt resolution of complaints and concerns.
- To promote a healthy, safe, and student-friendly campus environment.
- To uphold the principles of justice, equality, and confidentiality.
- To encourage students to voice their concerns without fear or hesitation.
- To strengthen institutional accountability and participative governance.

Activities Conducted During the Academic Year 2024–2025

1. Constitution and Orientation of the Grievance Redressal Cell

At the beginning of the academic year, the Grievance Redressal Cell was reconstituted in accordance with institutional guidelines. Students were informed about the objectives, functions, and procedures of the Cell through orientation programmes, student handbooks, and notices.

2. Awareness Programme on Grievance Redressal Mechanism

Awareness sessions were organized to educate students about the grievance redressal process, students' rights and responsibilities, and the importance of reporting concerns through appropriate channels. Information regarding complaint submission procedures was widely disseminated.

3. Grievance Registration and Resolution

The Cell facilitated the receipt and resolution of grievances related to:

- Academic matters
- Examination-related issues
- Classroom facilities
- Library and laboratory services

- Student welfare concerns
- Infrastructure and campus amenities
- Interpersonal and behavioural issues

All grievances received were examined carefully and resolved through consultation with the concerned departments and authorities.

4. Student Interaction Meetings

Periodic interaction meetings were conducted with students to identify common concerns and obtain feedback regarding academic and campus-related issues. These interactions helped the institution take proactive measures to improve student satisfaction and campus services.

5. Coordination with Student Support Cells

The Grievance Redressal Cell collaborated with various institutional bodies, including:

- IQAC
- Mentor–Mentee Committee
- Students Counselling Cell
- Anti-Ragging Committee
- Women Empowerment Cell
- Discipline Committee

This collaborative approach ensured comprehensive support and effective resolution of student concerns.

6. Monitoring of Student Welfare Issues

The Cell continuously monitored issues affecting student welfare and recommended corrective measures wherever necessary. Special attention was given to maintaining a safe, inclusive, and supportive learning environment for all students.

7. Feedback Review and Institutional Improvement

Student feedback received through various mechanisms was reviewed periodically. Suggestions and recommendations were forwarded to the concerned authorities for necessary action and continuous quality improvement.

Outcomes

- Enhanced awareness among students regarding grievance redressal procedures.
- Timely and effective resolution of student grievances.
- Improved communication between students and the institution.
- Strengthened trust and confidence in institutional support systems.
- Increased student participation in institutional feedback mechanisms.
- Promotion of a transparent, fair, and student-centric campus environment.
- Improved quality of academic and support services through constructive feedback.

Best Practices

- Confidential handling of grievances.
- Timely response and resolution mechanism.
- Student-friendly grievance submission process.
- Regular interaction with students and stakeholders.

- Continuous monitoring and follow-up of reported issues.
- Coordination with various student support and welfare committees.

Conclusion

The Grievance Redressal Cell successfully carried out its responsibilities during the academic year 2024–2025 by ensuring a transparent, responsive, and effective grievance management system. Through its proactive efforts, the Cell contributed significantly to maintaining a conducive academic environment and strengthening student confidence in institutional processes. The College remains committed to promoting fairness, accountability, and student welfare through a robust grievance redressal mechanism.
