MENTOR-MENTEE COMMITTEE ANNUAL ACTIVITY REPORT

Academic Year 2024-2025

Introduction

The Mentor-Mentee System is one of the significant student support mechanisms of St. Ann's College for Women, Gorantla, Guntur. The system aims at establishing a strong and effective relationship between faculty mentors and students to facilitate academic excellence, personal growth, emotional well-being, and career development. Through regular mentoring sessions, faculty members guide students in overcoming academic challenges, improving attendance, enhancing life skills, and making informed career choices.

During the academic year 2024-2025, the Mentor-Mentee Committee successfully implemented various mentoring initiatives aligned with the institution's vision of holistic education and the quality parameters prescribed by NAAC.

Objectives

The Mentor-Mentee Committee functions with the following objectives:

- To provide continuous academic guidance and support to students.
- To monitor attendance, academic performance, and progression.
- To identify and assist slow learners and students facing challenges.
- To offer personal counseling and emotional support.
- To encourage participation in curricular, co-curricular, and extension activities.
- To guide students regarding higher education, career opportunities, and placements.
- To strengthen communication among mentors, students, parents, and the institution.

Mentor-Mentee System

The college adopted a structured mentoring framework wherein students were assigned to faculty mentors for regular interaction and monitoring.

Mentor-Mentee Profile

Particulars	Details
Total Students	881
Faculty Mentors	45
Mentor-Mentee Ratio	1:20
Mentoring Meetings Conducted	8
Mode of Interaction	Individual & Group Meetings
Faculty mentors maintained mentoring records and monitored the academic, personal, and professional development of assigned mentees throughout the year.	

Activities Conducted During the Academic Year

1. Academic Mentoring

- Conducted regular mentor–mentee meetings to review academic performance.
- Identified slow learners and referred them for remedial coaching.
- Guided students in examination preparation and study techniques.
- Encouraged advanced learners to participate in seminars, projects, and academic competitions.
- Monitored semester-end results and progression.

2. Attendance Monitoring

- Periodic review of attendance records.
- Counseling provided to students with irregular attendance.
- Parent interactions conducted wherever necessary.
- Follow-up measures implemented to improve attendance.

3. Personal Counseling and Well-being Support

- One-to-one counseling sessions conducted for students facing personal and emotional challenges.
- Guidance provided on stress management, time management, and self-discipline.
- Students were encouraged to maintain a healthy balance between academics and personal life.

4. Career Guidance and Progression Support

- Career awareness sessions conducted for final-year students.
- Information provided on higher education opportunities and competitive examinations.
- Guidance offered regarding internships, skill development programmes, and placement opportunities.
- Students were encouraged to participate in Training and Placement Cell activities.

5. Parent–Teacher–Mentor Interaction

- Regular communication established with parents regarding student performance and attendance.
- Counseling support provided through parent meetings.
- Special attention given to students requiring academic and personal interventions.

6. Personality Development and Life Skills

- Students were motivated to participate in leadership activities.
- Guidance provided on communication skills, confidence building, and goal setting.
- Mentors encouraged students to actively participate in cultural, sports, NSS, NCC, and extension activities.

Summary of Mentoring Sessions

Semester	Meetings Conducted	Students Benefited
Odd Semester	4	881
Even Semester	4	881
Total	8	881

Student Support and Interventions

The mentoring process helped identify various student needs and provide timely support.

Area Identified	Support Provided
Academic Difficulties	Remedial Coaching & Academic Counseling
Attendance Issues	Parent Interaction & Regular Monitoring
Financial Constraints	Scholarship Guidance
Career Planning	Career Counseling & Placement Guidance
Personal Challenges	Individual Counseling & Mentoring Support

Outcomes and Impact

The mentoring system contributed significantly to student development and institutional quality enhancement. The major outcomes include:

- Improvement in student attendance and academic performance.
- Better mentor–student interaction and communication.
- Increased participation in co-curricular and extracurricular activities.
- Enhanced confidence, leadership qualities, and interpersonal skills among students.
- Improved awareness regarding higher education and career opportunities.
- Early identification and resolution of academic and personal issues.
- Strengthened student support and progression mechanisms.

Best Practice Adopted

“Each Student Matters”

The Mentor–Mentee Committee adopted a student-centric mentoring approach focusing on personalized guidance and holistic development.

Key features included:

- Individual mentoring records.
- Regular mentor–mentee meetings.
- Academic progress tracking.
- Career and placement guidance.
- Parent interaction whenever necessary.
- Counseling and welfare support.

This practice significantly enhanced student engagement, retention, and overall satisfaction.

Future Action Plan (2025–2026)

The committee proposes to undertake the following initiatives:

- Strengthening digital documentation of mentoring records.
- Conducting mentor orientation and capacity-building programmes.
- Enhancing career mentoring and placement support.
- Organizing mental health and wellness awareness programmes.
- Introducing alumni mentoring initiatives.
- Strengthening parent engagement and student tracking mechanisms.

Conclusion

The Mentor–Mentee Committee successfully carried out its activities during the academic year 2024–2025 and played a crucial role in supporting students' academic success, personal growth, and career readiness. Through systematic mentoring, counseling, and guidance, the committee contributed to the holistic development of students and reinforced the institution's commitment to quality education and student welfare.
