PARENTS' ASSOCIATION COMMITTEE ANNUAL ACTIVITY REPORT Academic Year 2025–2026

Introduction

The Parents' Association Committee of St. Ann's College for Women, Gorantla, Guntur, serves as an important link between the institution and parents. The Committee aims to foster constructive collaboration, strengthen communication channels, and actively involve parents in the academic and holistic development of students. Through regular interactions and feedback mechanisms, the Committee supports the institution's mission of providing quality education and creating a conducive learning environment. During the academic year 2025–2026, the Committee organized orientation and parent engagement programmes that enhanced stakeholder participation and strengthened the partnership between parents, faculty, and management.

Objectives

1. To strengthen collaboration between parents and the institution.
2. To promote effective communication regarding students' academic progress and welfare.
3. To involve parents in institutional quality initiatives and student development activities.
4. To create awareness about academic policies, regulations, and support services.
5. To obtain valuable feedback for continuous institutional improvement.

Activities Conducted During the Academic Year 2025–2026

1. Parent Orientation and Student Induction Programme

Period: 28 July 2025 – 9 August 2025

The institution successfully organized a comprehensive Induction Programme for newly admitted first-year undergraduate students under the guidance of IQAC. The programme was designed to facilitate a smooth transition from school education to higher education and to familiarize students and parents with the institutional environment.

The inaugural Institution Orientation Session was conducted in St. Ann's Block. Principal Rev. Dr. Sr. Sandhya Thumma warmly welcomed the students and emphasized the importance of academic excellence, discipline, value-based education, and personal development.

Heads of various Departments introduced students and parents to:

- Academic programmes and curriculum structure.
- Examination and evaluation systems.
- Four-Year UG Honours and Honours with Research Programmes.
- Placement and career guidance opportunities.

- Library and learning resources.
- Sports and extracurricular activities.
- Student support and mentoring services.

The programme helped students develop confidence, adaptability, and a sense of belonging while enabling parents to gain a clear understanding of institutional expectations and opportunities available for their wards.

2. Parent-Teacher Meeting (PTM)

Date: 13 September 2025

The Parents' Association Committee, in collaboration with IQAC, organized a Parent-Teacher Meeting (PTM) in the College Auditorium, Gnanamma Block.

The meeting witnessed active participation from parents, faculty members, and administrative staff. The primary objective was to strengthen communication between the institution and parents and to discuss matters related to student progress, attendance, academic performance, institutional regulations, and student welfare.

Principal Rev. Dr. Sr. Sandhya Thumma welcomed the parents and appreciated their involvement in the educational journey of their daughters. In her address, she emphasized the significance of continuous parent-institution collaboration in promoting students' academic success and holistic development.

The Principal introduced key functionaries of the institution, including:

- IQAC Coordinator
- Admissions Committee Convener
- Training and Placement Officer
- Heads of Departments
- Faculty Mentors

The officials briefed parents about various academic and support initiatives undertaken by the college, including quality enhancement measures, placement training programmes, mentoring systems, attendance regulations, examination procedures, and career development opportunities.

An interactive session enabled parents to express their views, seek clarifications, and provide valuable suggestions. Faculty members addressed the concerns raised by parents and assured continuous support for students' academic and personal growth. The meeting concluded on a positive note with the administration reaffirming its commitment to strengthening communication channels and ensuring student success through collaborative efforts.

Outcomes

- Strengthened partnership between parents, teachers, and management.
- Improved parental awareness regarding academic policies, regulations, and institutional initiatives.
- Enhanced understanding of student support services and career development opportunities.
- Increased parental involvement in monitoring students' academic progress and well-being.
- Facilitated a smooth transition of first-year students into higher education.

- Received constructive feedback for institutional quality enhancement.

Parent Feedback Summary

The feedback received from parents was highly encouraging. Parents appreciated:

- The student-friendly academic environment.
- Effective communication between faculty and parents.
- The comprehensive induction programme for newly admitted students.
- Career guidance, placement support, and mentoring initiatives.
- The institution's commitment to discipline, safety, and holistic development.

Conclusion

The Parents' Association Committee played a significant role in promoting active parental engagement during the academic year 2025–2026. Through the Induction Programme and Parent-Teacher Meeting, the Committee successfully strengthened parent-institution relationships and facilitated meaningful stakeholder participation. The Committee remains committed to fostering collaborative partnerships that contribute to student success, institutional excellence, and holistic development.
