PARENTS' ASSOCIATION COMMITTEE ANNUAL ACTIVITY REPORT Academic Year 2024–2025

Introduction

The Parents' Association Committee of St. Ann's College for Women, Gorantla, Guntur, serves as an important platform for strengthening collaboration between parents and the institution. The Committee aims to foster effective communication, encourage parental involvement in students' academic development, and promote a supportive environment that contributes to the holistic growth of learners.

During the academic year 2024–2025, the Committee actively engaged parents through orientation and interaction programmes, enabling them to understand institutional policies, academic developments, student support services, and emerging educational reforms.

Objectives

1. To strengthen the partnership between parents and the institution.
2. To create awareness among parents regarding academic programmes and institutional initiatives.
3. To encourage parental participation in students' educational progress and personal development.
4. To facilitate effective communication between parents, faculty, and management.
5. To gather constructive feedback for continuous institutional improvement.

Activities Conducted During the Academic Year 2024–2025

Parent-Teacher Meet and Orientation Programme

Date: 29 July 2024

The Management, in collaboration with the Parents' Association Committee and IQAC, organized a Parent-Teacher Meet in the College Seminar Hall coinciding with the commencement of orientation classes for newly admitted first-year undergraduate students.

The programme was designed to familiarize parents and students with the academic environment, institutional policies, curriculum framework, and student support services available at the college.

Principal Rev. Sr. Sandhya Thumma welcomed the parents and highlighted the institution's academic achievements, including the prestigious NAAC "A" Grade accreditation. She expressed gratitude to the parents for their valuable support and cooperation during the NAAC Peer Team Visit and emphasized the importance of continued collaboration in achieving academic excellence.

During her address, the Principal briefed the parents on key developments under the National Education Policy (NEP) 2020 and the implementation of Single Major Undergraduate Programmes introduced in collaboration with APSCHE from the academic year 2023–2024. She also explained the structure and benefits of the Four-Year UG Honours Programme and Four-Year UG Honours with Research Programme introduced under the new curriculum framework.

Senior faculty members provided detailed information regarding:

- Academic programmes and curriculum structure.
- Online admission procedures.
- Examination and evaluation systems.
- Placement and career guidance opportunities.
- Campus infrastructure and facilities.
- Student mentoring and support services.
- Co-curricular and extracurricular activities.

The orientation classes conducted by various departments included bridge courses designed to strengthen foundational knowledge and facilitate a smooth transition from intermediate education to undergraduate studies.

The programme concluded with an interactive session where parents shared their observations, raised queries, and offered valuable suggestions. Faculty members clarified concerns related to academics, student welfare, and career opportunities. Parents appreciated the institution's transparent communication, student-centered approach, and commitment to quality education.

Outcomes

- Strengthened collaboration between parents, teachers, and management.
- Enhanced awareness among parents regarding NEP 2020 and curriculum reforms.
- Improved understanding of institutional policies, academic programmes, and student support services.
- Increased parental confidence in the college's academic and developmental initiatives.
- Facilitated a smooth transition for newly admitted students into higher education.
- Collected valuable feedback from parents for institutional improvement.

Parent Feedback Summary

The feedback received from parents was highly positive. Parents appreciated:

- The college's NAAC "A" Grade accreditation and quality initiatives.
- Transparent communication regarding academic reforms.
- The implementation of bridge courses and orientation programmes.
- Student mentoring, placement support, and career guidance activities.
- The safe, disciplined, and student-friendly campus environment.

Conclusion

The Parents' Association Committee played a significant role in strengthening parent-institution relationships during the academic year 2024–2025. Through the Parent-

Teacher Meet and Orientation Programme, the Committee facilitated meaningful interaction, enhanced stakeholder engagement, and promoted a shared commitment towards students' academic success and holistic development. The Committee will continue to foster active parental involvement and support the institution's mission of providing quality education and empowering young women.
