Training & Placement Cell

Guidelines, Procedures & Activities

1. Introduction

The Training & Placement Cell of St. Ann's College for Women, Gorantla, Guntur is established to enhance employability, career opportunities, professional skills, and industry readiness among students.

The cell functions in alignment with UGC, AICTE, and NAAC quality initiatives to provide placement support, skill development training, internships, career guidance, and industry interaction opportunities. The cell acts as a bridge between students and employers by preparing students for successful careers and higher education opportunities.

2. Vision

To empower students with professional competencies, employability skills, and career opportunities for successful placement and holistic development.

3. Mission

- To provide training and placement support for students.
- To enhance communication, aptitude, technical, and soft skills.
- To strengthen industry–institution interaction and collaboration.
- To prepare students for employment, entrepreneurship, and higher education.

4. Objectives

The objectives of the Training & Placement Cell are to:

- Organize campus recruitment drives and placement activities.
- Establish and maintain relationships with companies and recruiters.
- Provide training in aptitude, reasoning, communication, and soft skills.
- Conduct pre-placement training, mock interviews, and group discussions.
- Guide students in resume writing and interview preparation.

- Arrange internships and industrial training opportunities.
- Invite industry experts for guest lectures and career guidance.
- Support students in career planning and employability enhancement.
- Maintain database of students, alumni, recruiters, and placement records.

5. Scope of Activities

The Training & Placement Cell shall undertake activities related to:

- Campus placements
- Employability skill training
- Internship and industrial training
- Career guidance and counseling
- Soft skills and communication training
- Resume preparation and interview practice
