College Academic & Development Committee (CDC)

1. Introduction

The College Academic & Development Committee (CDC) of St. Ann's College for Women, Gorantla, Guntur is constituted as an important academic and developmental body of the institution to promote quality education, academic planning, institutional development, innovation, research culture, and continuous quality improvement.

The Committee functions in alignment with the guidelines of the University Grants Commission, affiliating university, and NAAC quality framework to ensure effective academic governance and institutional progress.

The CDC serves as a platform for academic review, strategic planning, implementation of quality initiatives, faculty development, curriculum enrichment, and monitoring institutional growth.

2. Objectives

The objectives of the College Academic & Development Committee are:

- To review and monitor the academic activities of the college.
- To maintain and enhance standards of teaching, learning, research, and evaluation.
- To review and approve the Academic Calendar and institutional academic plans.
- To review value-added courses, certificate courses, and skill enhancement programmes.
- To support institutional quality initiatives and NAAC-related activities.
- To formulate and review the perspective and developmental plans of the college.
- To promote innovation and best practices in teaching-learning processes.
- To review faculty development programmes and research activities.
- To ensure academic programmes align with institutional mission and industry requirements.

- To inculcate research culture and innovation among students and faculty.
- To strengthen student progression, employability, and holistic development.

3. Composition of the Committee

The College Academic & Development Committee shall consist of:

- Principal – Chairperson
- IQAC Coordinator – Member Secretary
- All Heads of Departments – Members
- Office Administrator – Member
- Senior Faculty Members – Members
- Examination Cell Representative – Member
- Research Coordinator (if applicable) – Member

The Principal may nominate additional members whenever required.

4. Roles and Responsibilities

The Committee shall:

4.1 Academic Planning and Review

- Review and monitor academic activities of all departments.
- Review implementation of teaching plans and academic schedules.
- Ensure smooth conduct of teaching-learning activities.

4.2 Academic Calendar Approval

- Review and approve the Academic Calendar prepared for each academic year.
- Monitor effective implementation of the academic schedule.

4.3 Curriculum Enrichment

- Review value-added courses, certificate courses, and add-on programmes.
- Encourage skill-oriented and industry-relevant academic initiatives.

4.4 Institutional Development Planning

- Formulate and review perspective plans and developmental strategies of the college.

- Recommend measures for institutional growth and academic excellence.

4.5 Quality Assurance and NAAC Initiatives

- Support IQAC initiatives for quality enhancement.
- Review reports submitted by IQAC.
- Promote quality benchmarks prescribed by NAAC.

4.6 Faculty Development

- Review faculty development programmes, workshops, FDPs, seminars, and training programmes.
- Encourage faculty participation in research and professional development activities.

4.7 Innovation in Teaching and Learning

- Promote innovative teaching methodologies and ICT-enabled learning.
- Encourage experiential learning, student-centric methods, and outcome-based education.

4.8 Research Promotion

- Promote research culture among faculty and students.
- Encourage participation in:
 - Research projects
 - Publications
 - Seminars and conferences
 - Innovation and incubation activities

4.9 Student Development

- Encourage holistic student development through academic enrichment and research activities.
- Promote employability and entrepreneurship-oriented programmes.

4.10 Industry and Institutional Relevance

- Ensure academic programmes are aligned with institutional mission, societal needs, and industry requirements.

- Recommend collaboration and linkage activities for academic enhancement.

5. Functions of the Committee

The CDC shall:

- Review departmental academic performance periodically.
- Review semester results and academic outcomes.
- Monitor implementation of quality initiatives.
- Review feedback from students and stakeholders.
- Suggest reforms in teaching-learning and evaluation practices.
- Encourage interdisciplinary and skill-based learning.
- Monitor implementation of remedial and mentoring activities.
- Promote research, innovation, and extension activities.
- Support preparation for NAAC, NIRF, and other quality assessments.

6. Procedures of the Committee

6.1 Meetings

- The Committee shall meet at least twice in an academic year or as required.
- Emergency meetings may be conducted with the permission of the Principal.

6.2 Agenda Preparation

- Agenda shall be prepared by the IQAC Coordinator in consultation with the Principal.

6.3 Academic Review Process

- Departments shall submit academic reports periodically.
- The Committee shall review:
 - Teaching progress
 - Student performance
 - Attendance
 - Result analysis
 - Academic activities

6.4 Review of Value-Added Courses

- Departments proposing value-added courses shall submit course details for review and approval.

6.5 Faculty Development Review

- FDP reports and participation details shall be reviewed periodically.

6.6 Development Planning

- Institutional perspective plans and developmental proposals shall be discussed and approved.

6.7 Documentation

- Minutes of meetings and action taken reports shall be maintained systematically.

7. Quality Enhancement Measures

The Committee shall promote:

- Outcome-Based Education (OBE)
- ICT-enabled teaching-learning
- Research and innovation ecosystem
- Student mentoring and support
- Skill development initiatives
- Academic audits
- Green and sustainable campus initiatives
- Best practices and institutional innovations

8. Documentation to be Maintained

The Committee shall maintain:

- Minutes of CDC meetings
- Academic Calendar
- Perspective plans
- IQAC reports

- Value-added course records
- FDP records
- Academic review reports
- Result analysis reports
- Action Taken Reports (ATR)
- Research and innovation activity records

9. NAAC Quality Initiatives

The CDC contributes significantly to NAAC quality assurance through:

- Academic planning and monitoring
- Curriculum enrichment
- Promotion of research culture
- Faculty empowerment
- Institutional best practices
- Student-centric learning initiatives
- Continuous quality improvement processes
- Strategic institutional development

10. Conclusion

The College Academic & Development Committee of St. Ann's College for Women serves as a vital academic and strategic body that promotes institutional quality, academic excellence, innovation, and holistic development. Through systematic planning, review, and quality enhancement initiatives, the committee contributes significantly to the vision and mission of the institution and supports sustainable institutional growth.
