A Capsule of Great History (1819 - 21.12.1874)

Mother Tatipathri Gnanamma, the servant of God stands as a beacon of faith, resilience and visionary leadership. As the foundress of the Society of St. Anne, she dedicated her life to the empowerment of women through education and social upliftment. Her unwavering commitment to nurturing minds and hearts has left an indelible mark on our society, inspiring generations to embrace the values of compassion, service and integrity.

St. Anne as the patroness of our college, Shei inspires us to pursue knowledge and foster a supportive community. Her dedication to education and moral integrity serves as a guiding light for our academic journey, reminding us to strive for excellence while embracing kindness and humility in all our endeavours. Let her spirit encourages us to grow not only in intellect but also in character as we contribute positively to the world around us.

PLEDGE

India is my country and all Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well-being and prosperity alone lies my happiness.

2. Annite's Mission of Education:

Following the words of our Foundress Thatipathri Gnanamma, “the sisters of St. Anne learn to live as women of service and translate the love of God into love of fellow human beings”. The divine energy within her was transformed over time and she thereby identified opportunities and explored possible solutions for the illiterate women of the yester years.

Her commitment, passion and perseverance still enable us to walk through untrodden paths and higher levels of development. She was sure of her vision and her insights is still very active in us. As a result, the Society of St. Anne has given way to a number of schools and colleges all over India.

Our Primary apostolate is Education. Through this apostolate, we create an atmosphere in educational institutions that is conducive to the imparting human Values to pupils. We give a central place for value-based education in the curriculum, and impart with zeal and enthusiasm.

Besides imparting education that will facilitate the development of the personality of our pupils, we also strive to inculcate in them honesty and a sense of responsibility.

3. Profile of St Ann's College for Women :

History of the College :

St. Ann's College for Women was established at Bhrathpet 7th lane, Guntur in the year 1997 under the leadership, prayerful assistance, guidance and administration of the then Superior General of CSSA, Phirangipuram, Rev. Mother Mary Ignatius Loyola Mekala. The College was then situated at Bharatpet Campus of St. Ann's E.M School and Junior College. It is affiliated to Acharya Nagarjuna University and ever since its inception it has been emerging as a universal cosmopolitan and prestigious college in Guntur. Initially the college had only B.Sc (M.B.C), B. Sc (M.P.Cs) and B.Com (General) courses with an intake of less than 100 students. Consequently in 1998, B.C.A course & B.Sc (M.S.Cs) were introduced. Keeping in pace with the emerging needs of the society, additional course of B.Com (Res) was added in 1999.

To keep with the pace of growing strength of Students and the need for spacious Laboratories, the College was shifted to the self- owned Campus with newly constructed buildings and playground at Gorantla with serene atmosphere by being away from the hustle and bustle of the city. It was inaugurated and blessed on 23rd October 1999 by Most. Rt. Rev. GaliBali, Bishop of Guntur Diocese and Ex-Superior General of CSSA Mother Rev. Sr. Loyola Ignatius Mekala and her Team.

Seeing the aptitude for research in Biology, the courses were again streamlined in 2003 with the introduction of Biotechnology (B.B.C). To bridge the gap of previous value-based education and the present-day job-oriented education, a Post Graduate course of M.C.A was installed into College Academics in 2003. During the Academic year 2007 – 2008, to be in par with the professionalism, M.B.A course was introduced and the college grew to the heights of excellence in educational ladder and thus reached the status of Professional Post Graduate College. The College grew in Student Strength, infrastructure which is full-fledged with Libraries, laboratories and all amenities in Anne block.

The Management of St. Ann's has taken a step forward to provide sophisticated GNANAM BLOCK with Ground + three floors consisting of Magnificent AC Auditorium with Green Room , Teaching & Learning Room, UG Library, 2 Seminar Halls, Language Lab, IQAC Cell, Chair Person's Room, NAAC Conference Hall, NCC & Sports Room, Canteen and Elevator and it was blessed on 26th July, 2020 by Most. Rt. Rev. Chinnabathini Bhagyaiah, Bishop of Guntur Diocese. , Inaugurated by Rev. Mother Anthonamma. P, Superior General, CSSA, and Rev.Sr. Ratna Mary Raya the Provincial Superior of CSSA-Guntur province.

Cherishing the Legacy, enjoying the present and driving towards glorious and magnificent years ahead the Silver Jubilee was celebrated on 12th March 2022 with distinguished guests Most. Rt. Rev. Dr. Ch. Bhagyaiah the Bishop of Guntur Diocese, Rev. Mother Anthonamma P the Superior General, CSSA, Rev. Dr. Sr. T. Mary Paul Tresa the Provincial Superior of Guntur Province, Former Superior General Rev. Mother Fatima Mary Boyapati, Former Principals & Correspondents, Special invitees of Mekala Sucharitha, Former Home Minister, Prof. Rajasekhar Reddy, Ex- Vice-chancellor Of ANU and Priests, Sisters of St. Ann's family, Parents, Staff & Students and were warmly welcomed.

The God's faithfulness and strenuous efforts of Management, Staff and Students had enabled St. Ann's College for Women, Gorantla, Guntur to cross a major milestone by completing 25 years of glorious and magnificent excellence and that became an important in the historic book of St. Anne.

St. Ann's College for Women is run by the Management that is a composite of dedicated, devoted and humanistic Congregation of the Sisters of St. Ann (CSSA). They are the channels of love and compassion to the underprivileged people. Their main ambition is to educate the rural girls and build them as strong foundational stones of the society.

Right from the inception of St. Ann's college for Women, it has been developing into a reputable institution to uplift the rural women, impart intellect and spiritual integrity into the young lives and serve them for overall development under the effective leadership and administration of legacy of well qualified, committed and dedicated Principals, skilful Teaching and Non-teaching Staff.

As the fruit of these efforts for phenomenal growth in terms of Infrastructure and Academic excellence, the College is accredited with an "A" grade in the very first cycle with CGPA of 3.09 by National Assessment & Accreditation Council (NAAC), Bangalore

Striving to be the best institution, emphasis on disciplined education has been laid by the college which is drawing the attention of thousands of Parents to seek the admission for their children into the St. Ann's College. The college is renowned for the parental approval of Safety and Security of their children. It has social recognition for providing quality and quantum education.

In the present day of Commercialization of Education, though the college is encircled with many corporate colleges, yet it is growing with strength of 924 students and 46 experienced, competent teaching Staff, 25 Administrative, Non-teaching and Auxiliary Staff both at UG and PG levels.

The Institution continues to maintain its dedication to excellent Teaching with ICT tools, encourage Research Activities and serve the needs of the community by providing work environment in which the Staff and Students accept the responsibility to contribute to the success of the Institution and are empowered to do so. The Academic, Social and Spiritual elements of St. Ann's College for Women come together to offer the Students a World of opportunity.

MOTTO :EDUCATE, ENRICH, EMPOWER:

St. Ann's College for Women strives for the education of rural young women, preparing them as ideal citizens, enriching and empowering them abundantly with knowledge & wisdom in finding the ultimate truth.

- 7) Andhra Pradesh Residence Certificate of father/mother for a period of 10 years excluding the period of employment outside Andhra Pradesh from Tahsildar in respect of Non-Local Candidates.
- 8) Integrated Community Certificate, in case of BC/ST/SC issued by the competent authority.
- 9) Income certificate of parents from all sources issued on or after 01.01.2017 or White Ration card (candidate name and either of the parents name have to be reflected in the ration card) in case of candidates who claim tuition fee reimbursement.
- 10) Local status certificate (if applicable) i.e a candidate who migrates to any part of the state of Andhra Pradesh from the state of Telangana from 02-June- 2014 to on/before 01-June- 2021 shall be regarded as the local candidate in the state of Andhra Pradesh.

11) Candidates claiming reservation under NCC/Sports/ PH/ CAP shall bring the original certificates.

a) PH - Candidates shall submit certificate issued by the District Medical Board.

b) CAP - Candidates shall submit certificates from the ZillaSainik Welfare Board (viz) Discharge book & Identity card etc for Verification. Children of Ex-Service and In- Service persons who are domicile of Andhra Pradesh will alone be considered for allotment of seats under CAP Category.

c) NCC & Sports – Produce original certificates issued by competent authorities. The candidate should have represented from the state of AP.

d) Minorities - Muslim and Christian Minority Candidates should produce TC of the SSC containing the Religion (Muslim/Christian/ Other linguistic) or in the absence of TC, a Certificate issued by the Head of the Institution in which the student studied/appeared for SSC or its equivalent Examination.

e) Extracurricular activities: Candidates claiming reservation under this category shall produce relevant certificates.

SPOT ADMISSIONS:

The management of private un-aided colleges are informed that the leftover seats after final phase of admission process can be filled by the respective institutions as per merit through SPOT ADMISSIONS, which are to be made in accordance with the guidelines issued by APSCHE.

MANAGEMENT QUOTA ADMISSIONS:

The managements of private un-aided colleges are informed that seats under 30% Category-B Management Quota can be filled as per the notification of APSCHE. The candidates who got admissions under Management Quota are not eligible for Fee Reimbursement.

ADMISSION NORMS – PG COURSES

AP ICET – ADMISSIONS

DETAILED NOTIFICATION

CERTIFICATE VERIFICATION AND OPTION EXERCISE FOR WEB BASED COUNSELLING

The Eligible and Qualified candidates of APICET who are desirous of seeking admission into MBA/MCA Programmes are informed that the web counseling process will be conducted as per the following schedule. The candidates are instructed to follow guidelines/Instructions to Proceed with the web counselling process.

Subject

Registration for webcounseling

Verification of Certificates

Exercising of WebOptions

Change of WebOptions

Allotment of seats for second and final phase counselling

Reporting to colleges

Eligible and Qualified candidates of APICET are informed to participate in webcounseling for the seats available in universities and colleges in MBA and MCA programs in the State of Andhra Pradesh for the academic year on payment of processing fee:

PAYMENT OF PROCESSING FEE:

(Before Online Certificate Verification)

1. Rs.1200 (for OCBC) and Rs.600 (for SCSTPHC) through online by credit card, debit card (or) net banking through the "Pay Processing Fee" link in the website <https://cets.apsche.ap.gov.in/>
2. All the candidates from 1st to Last Rank can pay the processing fee using URL <https://cets.apsche.ap.gov.in/>
3. For payment of the processing fee, please visit <https://cets.apsche.ap.gov.in/> and click on Pay Processing Fee.
4. Enter the APICET Hall Ticket number and rank and click on pay fee online.
5. The candidate will be directed to the payment gateway.

6. Select any one mode of payment i.e., credit card or debit card or net banking and enter credentials.
7. Once the payment is successful click on the print button and take a print out
8. Candidate shall note that he/she shall have paid the processing fee when candidate uploads scanned copies of certificates i.e., the processing fee should be paid online by the candidate before he/she uploads scanned copies of certificates.

THE FOLLOWING ARE THE SCANNED CERTIFICATES TO BE UPLOADED AT THE TIME OF REGISTRATION

- 1) APICET-2023 Hall Ticket
- 2) APICET-2023 Rank Card
- 3) Transfer Certificate (T.C.)
- 4) Degree Marks Memos / Consolidated Marks Memo
- 5) Degree Provisional Certificate
- 6) Intermediate Marks Memo / Diploma Marks Memo
- 7) S.S.C. or its equivalent Marks Memo
- 8) Study Certificates from Class IX to Degree
- 9) Residence Certificate (in case where candidate has no institutionalized education) in respect of Private candidates of AP state.
- 10) Residence certificate of either of the parent in AP for 10 years excluding the period of employment outside Andhra Pradesh from the competent authority in respect of Non Local Candidates.
- 11) Latest valid Income Certificate or Ration Card issued by the competent authority containing the name of the candidate
- 12) Caste Certificate issued by competent authority in respect of SC/ST/BC
- 13) Economically weaker section (EWS) certificate if applicable
- 14) Local status certificate if applicable i.e., a candidate who migrates to any part of the state of Andhra Pradesh from the state of Telangana within a period of Seven years from the 2nd day of June, 2014 shall be regarded as the local candidate in the state of Andhra Pradesh.

ELIGIBILITY TO MBA AND MCA PROGRAMS:

Candidates who secured 50% (For OC) and 45% (SC/ST/BC) aggregate marks in Degree or its equivalent examination are only eligible for admission

Program	Eligibility
MBA	Any degree of minimum three year duration with Mathematics as one of the subjects in SSC. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.

MCA	Passed BCA / Bachelor Degree in Computer Science Engineering or equivalent Degree. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination. (OR) Passed B.Sc./B.Com./B.A. with Mathematics at 10+2 Level or at Graduation Level (with additional bridge Courses as per the norms of the concerned University). Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
------------	---

Note:

1. All APICET

qualified Candidates can exercise their options from any Internet cafe or Help Line Centre or from their Residence after Certificate Verification on the mentioned dates as per the schedule. The detailed Procedure of Exercising Options will be placed on the Website: <https://cets.apsche.ap.gov.in/>

2. Options will be frozen on the specified date.
3. Allotment of seats will be placed in the Website.
4. For all other details please refer the Website.
5. Fee particulars and seats available under Convener Quota College wise will be available on the website <https://cets.apsche.ap.gov.in/> well be fore the commencement of Option Entry.
6. The Government (G.O.Ms.No.77of SOCIAL WELFARE (EDN) DEPARTMENTdated 25-12-2020)ordered that in case of Post-Graduation courses, the (i) "Jagananna Vidya Deevena(RTF)"and(ii)"JaganannaVasathi Deevena (MTF)" schemes shall be applicable only to the students admitted under Convener quota in the Post Graduate programs / Courses offered by the State funded Universities and Government Degree/ PG Colleges in the State of Andhra Pradesh from 2021-22 The above is not applicable in case of Post Graduate programs/courses to the students admitted under convenerquota, either regular or self-finance mode,in the Private Aided and Private Unaided Degree/PG Colleges from the academic year 2021-22 fresh admissions.

SPOT ADMISSIONS:

The management of private un-aided colleges are informed that the left over seats after final phase of admission process canbe filled by the respective institutions as per merit through SPOT ADMISSIONS, which are to be made in accordance with the guidelines issued by APSCHE.

CATEGORY B - MANAGEMENT QUOTA ADMISSIONS:

The managements of private un-aided colleges are informed that seats under 30% Category-B Management Quota can befilled as per the notification of APSCHE. The candidates who got admissions under Management Quota are not eligible for FeeReimbur

COURSES OFFERED:

UG COURSES:

S.No	Courses	Year of Approval	Intake
1	B.Sc (MPCs)	1997	50
	B.Sc (MPCs)-Addl. Section	2019	50
2	B.Sc (MBC)	1997	30
3	B.Com (General)	1997	50
4	B.Sc (MSCs)	1998	50

12	BCA Honours	2023 - 24	60

TESTS &EXAMINATIONS:

The College conducts Unit Tests, Term Examinations, Assignments and other to measure the student performance and improvement at regular intervals. Students are expected to attend the exams without fail. Prior permission must be taken in case of emergency.

SCHOLARSHIPS: Monitory services:

Education for all is a fundamental right. As such there is a provision to all sections of students to pursue their studies and obtain the Scholarships like

1) SC, ST Scholarship

2) BC “

3) EBC “

4) PC “(Physically Challenged)

5) National Merit Scholarship (for University Top rankers)

EXAMINATION AND EVALUATION SYSTEM

To provide effective and transparent examination evaluation system for the students, St. Ann's College for Women framed the following **Examination and Evaluation System** to ensure the implementation of **CBCS Framework**. As per the guidelines of APSCHE and the Affiliating University, the Examination Committee strictly follows the revised pattern accordingly.

Choice Based Credit System (CBCS)

Choice Based Credit System (CBCS) provides cafeteria type approach in which the students can choose courses of their interest, learn at their own pace and undergo additional courses as career-oriented courses and acquire more skills and adopt an interdisciplinary approach in learning. This approach suits the need of students to keep in pace with the development in higher education

and quality assurance in the light of globalization of higher education.

CBCS Evaluation System consists of two components.

- ▶ Continuous Internal Assessment (CIA)
- ▶ Semester End Examination (SEE).
- ▶ CIA is given weightage of 30 % of total marks.
- ▶ SEE carries the remaining 70 % weightage in the total marks for a given course.
- ▶ Practical Examinations are conducted as per the Affiliating University instructions

CIA : CIA consists of tests and assignments/seminars along with regular attendance for each course during every semester. Marks allotted for CIA are distributed as follows.

<i>S.No</i>	<i>Category</i>	<i>Marks</i>
1	I Internal / II Internal Examination	20
2	Assignment / Seminar	05
3	Attendance	05
	Total Marks for CIA	30

SEE: Regular semester end examinations for odd semesters (I, III, V) are held in OCT/ NOV and for even semesters (II.IV.VI) in MAR /APR in an academic year.

- Supplementary examinations of I, III and V will be conducted along with regular odd semester end examinations.
- Supplementary examinations of II, IV and VI will be conducted along with regular even semester end examinations.

Practical / Project Work:

The practical work includes laboratory work, project work, field work, practical training, record work etc. throughout the semester. 50 marks are allotted for semester – end practical examination. The respective departments will provide the syllabi, model question papers and the practical schedule in consultation with the Convenor of Examination Committee.

- ❖ The practical work is done in each semester in specified practical hours except in first semester.
- ❖ If any student fails or absent to present herself will lose the marks in that semester.
- ❖ Student will be given opportunity to appear for practical exam in the next academic year of the same semester by paying prescribed fee.

Details of CBCS:

Credit: It is the unit by which the course work is measured. It determines number of hours of instruction required per week. One credit is one hour of teaching work or two hours of practical work per week. The instructional days as worked out by the UGC for one academic year are 180 working days and 90 days per semester.

Grade Point: It is the weightage allotted to each grade letter depending on the marks awarded in a course / paper.

Semester Grade Point Average (SGPA);

SGPA indicates the performance of a student in a given semester. SGPA is based on the total credit points earned by the student in all the courses and the total number of credits assigned to the courses/papers in that semester.

Calculation of SGPA:

$$\text{SGPA} = (\text{Credit} \times \text{Grade Point}) \text{ of the course}$$

Note: SGPA is computed only if the student passes in all the courses/papers.

Cumulative Grade Point Average (CGPA):

CGPA refers to the Cumulative Grade Points Average weighted across all the semesters. CGPA is obtained by dividing the total number of credit points in all the semesters by the total number of credits in all the semesters. The final result at the end of all the semesters is declared in the form of CGPA.

Note: CGPA is computed only if the student passes in all the courses/papers of all the semesters.

Grading System:

It is a numerical weight allotted to each letter grade on a 10-point scale. After adding the internal marks and external marks (maximum of 40 marks i.e. internal 10 marks and external 30 marks) the marks secured by a student from maximum of 100 will be converted into a letter grade. The grade points are the numerical equivalent of letter grade assigned to a student in the 10 point scale. The grade classification is as follows.

GRADE TABLE				
S.No	Range of Marks	Absolute Grade Points	Letter Grade Awarded	Performance
1	100	10.0	O	Outstanding
2	90 – 99	9.0 – 9.9	A+	Excellent
3	80 – 89	8.0 – 8.9	A	Very good
4	70 – 79	7.0 – 7.9	B+	Good
5	60 – 69	6.0 – 6.9	B	Above Average
6	50 – 59	5.0 – 5.9	C	Average
7	40 – 49	4.0 – 4.9	P	Pass
8	Below 40	0	F	Fail
9	Absent	0	Ab	Absent

$$\text{Semester Grade Point Average (SGPA)} = \frac{\sum \text{CiGi}}{\sum \text{Ci}}$$

Percentage of Marks in a subject = SGPA X 10

Curriculum and Credit Framework

In accordance with the NEP 2020, the UGC has formulated a new student-centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)” incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options. This will facilitate students to pursue their career path by choosing the subject/field of their interest.

In consonance with NEP 2020 the Government of Andhra Pradesh rolled out a redesigned CBCS curriculum for 4-year UG Honours Programmes from the year 2020-21. With the CCFUP guidelines released in December 2022, the AP State Council of Higher Education has taken up the task of redesigning the curricular framework for the UG Degree Programmes.

The AP State Council of Higher Education (APSCHE) has constituted an Expert Committee vide Proceedings. No. APSCHE/AC-I/CBCS-2023-24/Review Dt.13.03.2023 under the Chairmanship of Prof. K. Rama Mohana Rao, Vice-Chairman AP State Council of Higher Education. On the recommendations of the Committee, 4-year UG Honours Program with a single Major and one minor is introduced from the A.Y.2023-2024.

The context for the introduction of new curriculum and credit framework

2. Program Overview

A. Program Name and Duration

❖ 4-Year UG Honours with Single Major.

The duration of the Program is 4 years, with multiple entry and exit options after 1st, 2nd and 3rd years of study with a Certificate, Diploma and Degree after the respective years of study. Honours Degree is awarded at the end of 4-years of study.

- ⇒ 4 – Year UG Honours with Research with multiple entry and exit options after 1st, 2nd and 3rd years of study with a Certificate, Diploma and Degree after the respective years of study. Honours with Research Degree is awarded at the end of 4-years of study.

B. Program Objectives and Goals of UG Honours in Single Major

- ⇒ **Depth of Knowledge:** Single major programs allow students to focus on a specific discipline, enabling them to develop in-depth knowledge and expertise in their chosen field.

- ⇒ **By concentrating their studies on a single major,** students have the opportunity to delve deeply into the subject matter, engage in advanced coursework, and pursue specialized research or projects.

- ⇒ **Clarity and Specialization:** Single major programs provide students with a clear academic pathway and a focused direction for their studies. They can pursue their passion and interests in a specific discipline without the need to divide their time and attention across multiple majors. This clarity of focus allows students to specialize in their chosen field, potentially enhancing their future career prospects

- ⇒ **Efficient Use of Resources:** Single major programs can be more efficient in terms of resource utilization for both students and institutions. Students can allocate their time, energy, and resources towards mastering a single subject area, maximizing their learning experience. Institutions can streamline their course offerings, faculty resources, and infrastructure to support single-major programs more effectively.

- ⇒ **Time Management and Graduation Timelines:** Pursuing a single major program can offer advantages in terms of time management and graduation timelines. With a focused academic plan, students may have a clearer roadmap for completing their degree requirements within the expected timeframe. This can potentially minimize delays in graduation and facilitate a smoother academic journey.

- » **Flexibility and Elective Choices:** Single-major programs often provide students with flexibility in choosing elective courses and exploring interdisciplinary studies. By focusing on a single major, students may have more room in their curriculum to pursue elective courses that complement their primary area of study or explore related disciplines that align with their interests.
- » **Research and Career Alignment:** Single major programs can better align with students' research interests and career goals. By immersing themselves in a specific field, students have more opportunities to engage in research projects, internships, and practical experiences directly related to their major. This specialization can enhance their expertise and make them more competitive in their chosen career path.
- » **Reduced Course Load and Stress:** Pursuing a single major program typically involves a lower course load compared to three major programs. This can help reduce the stress and academic burden on students, allowing them to focus more deeply on their coursework, engage in extracurricular activities, and maintain a better work-life balance.
- » Ensuring Multidisciplinary and Interdisciplinary learning.
- » Opportunity for learners to choose the courses of their interest in all disciplines;
- » Facilitating multiple entry and exit options with UG certificate/ UG diploma/ or degree depending upon the number of credits secured and period of study;
- » Online learning, and hybrid modes of blended learning ensured.
- » Integrated Community Service Project into the curriculum.
- » Internship/On the Job Training (both in physical or virtual mode) incorporated in two stages, one, a short-term internship during the summer vacation between 2nd and 3rd years of study and the other a full-semester internship, either in the V or VI semester.
- » Multidisciplinary courses are made mandatory.
- » Skill Enhancement courses are introduced.
- » Mandatory Open Online Transdisciplinary courses are introduced.
- » Courses on Indian Knowledge Systems introduced.
- » Multiple entry and exit options are provided.
- » One Minor with 6 courses and 24 credits is compulsory.

Program Structure

A. Credit Requirements

- ⌘ For UG Honours Degree the number of credits required is 160 along with 20 additional credits assigned for Community Service Project (4 credits), Short Term Internship (4 credits) and Semester Internship (12 credits).
- ⌘ These 160 credits are apportioned as, 84 for Major Courses, 24 for Minor Courses, 12 for Languages, 6 for Multidisciplinary Courses, 28 for Skill Courses, 4 for Open Online Transdisciplinary Courses and 2 for Common Value-Added Courses.
- ⌘ The thumb rule for assigning credits is 1 hour of theory per week is equivalent to 1 credit. Similarly, 2 hours of practical per week is equivalent to 1 credit. The credits assigned for Internship/Apprenticeship/OJT are not to be equalized with the hours of work done.
- ⌘ A student can acquire a maximum of 40% of credits online.

B. Major Courses

- ⌘ Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the minimum prescribed number of credits, i.e., 84 (about 50% of total credits) through core courses in the major discipline.
- ⌘ A student of UG Honours Degree has to study 21 course papers with 84 credits in the chosen major. The eligibility for admission into a Major will be similar to the existing eligibility for a program.

Eligibility: APSCHE will publish the eligibility criteria in consultation with universities for all the UG programmes.

- ⌘ Universities can offer new Majors in addition to those identified for the A.Y. 2023-24 with prior permission of APSCHE.
- ⌘ A student has to choose one Major for gaining in-depth knowledge in that subject discipline.

- All discipline-specific major courses carry a weightage of 4 credits, irrespective of the discipline of study, viz., arts, commerce, science, etc. Wherever practicals are involved, 3 credits are assigned for 3 hours of theory and 1 credit is assigned for 2 hours of practical. For all courses without practicals, 4 credits are assigned for 4 hours of theory.
- The first two courses in the Major shall be the foundation courses for that Major and shall be pathway courses to choose their Minor in the second semester.
- In the case of Mathematics there will be 5 hours of workload per week which includes practice sessions (NOT PRACTICALS) and the number of credits assigned is 4.
- In the case of B.Com., Computer Applications or for BCA or wherever Computer Science/Applications involved subjects or courses are offered, the courses (papers) shall have 3 hours of theory and 2 hours of practical.

C. Minor Courses

- Students have to choose a Minor in the second semester. The student can choose a minor cutting across the disciplines or from the allied disciplines.
- A student has to study 6 courses in the chosen minor with 24 credits. The minor courses start from the second semester onwards.
- Some minors may require eligibility to study a particular course at the intermediate level. Such conditions, if any, will be notified against the minor.

- ☞ A student can complete a second minor online from approved sources during the period of study and submit the credits to the university for inclusion in the Degree certificate.
- ☞ Minor courses can be studied offline or online or in blended mode.
- ☞ Universities can add new minors with an intimation to APSCHE.

D. Languages

- ❖ Two courses in English Language and two courses in Modern Indian Language are to be completed in the first two semesters.
- ❖ Each language course is taught for 4 hours with 3 credits.
- ❖ A student can opt for doing the English Language Courses online which are equivalent to IELTS/TOEFL/OET, etc. Or the minimum required scores for qualifying in IELTS/TOEFL/OET can be reckoned for the 6 credits assigned for English Language.

E. Skill Courses

- ❖ Enhancing student employability is the top priority for higher education. Employability is a measure of a student's ability to secure their first job and remain employed throughout their working lives.
- ❖ A pool of Skill Enhancement Courses is offered in Semesters I to IV. These Skill Enhancement Courses are contemporary in nature and not major-specific.
- ❖ A student has to complete 6 such courses (2 credits each) in Semesters I to IV assigned with 12 credits. Students are offered choices for selecting skill enhancement courses of their interest.
- ❖ Major subject-specific Skill Enhancement courses with choices are offered in Semester V/VI as two of the four major courses.
- ❖ And two Skill Enhancement courses each with choices are offered in Semesters VII and VIII in the concerned major.
- ❖ Universities can add new Skill enhancement courses with an intimation to APSCHE.

F. Multidisciplinary Courses

- ❖ In consonance with NEP – 2020 all UG students are required to undergo multidisciplinary courses. These courses are intended to broaden the intellectual experience.
- ❖ Students are not allowed to choose the courses in a major discipline or repeat courses already undergone at the higher secondary level or Intermediate level or 12th class as the multidisciplinary course.
- ❖ A student has to complete 3 multidisciplinary courses each carrying 2 credits.
- ❖ Students are offered choices for selecting multidisciplinary courses of their interest.
- ❖ Universities can add new multidisciplinary courses with an intimation to APSCHE.

G. Common Value-Added Courses

- ❖ Common Valued Added Course includes Environmental science/education, and shall carry 2 credits.

H. Courses on Indian Knowledge Systems

- ❖ Courses on IKS are integrated into the curricular framework. The IKS course shall be an Audit Course which is a mandatory course with only a Pass or Fail.
- ❖ A student has to complete 2 courses on IKS one in the VII semester and one in the VIII semester.
- ❖ Students are offered choices for selecting IKS courses of their interest.
- ❖ Universities can add new IKS courses with an intimation to APSCHE.

I. Open Online Transdisciplinary Courses

- ❖ Two mandatory Open Online Transdisciplinary Courses, with 2 credits per course, are to be done by the students, one in each of Semesters VII and VIII.
- ❖ Students are free to select courses of their interest from any discipline.

J. 10-month mandatory Internship

Three internships are mandatory for all students irrespective of the of the Program of study.

1.First internship (April-May after 1st year examinations): Community Service Project

- ⇒ To inculcate social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1st and 2nd years of study shall be for Community Service Project.

Learning outcomes:

- ⇒ To facilitate an understanding of the issues that confronts the vulnerable/marginalized sections of the society.
- ⇒ To initiate team processes with the student groups for societal change.
- ⇒ To provide students an opportunity to familiarize themselves with urban/rural community they live in.
- ⇒ To enable students to engage in the development of the community.
- ⇒ To plan activities based on the focused groups.
- ⇒ To know the ways of transforming society through systematic programme implementation.

2. Second Internship (April-May after 2nd year examinations): Apprenticeship / Internship / On-the-job training / In-house Project / Off-site Project

- ⇒ To make the students employable, an Apprenticeship / Internship / On the job training / In-house Project / Off-site Project shall be undertaken by the students in the intervening summer vacation between the 2nd and 3rd years.

Learning outcomes :

- ⇒ Explore career alternatives prior to graduation.
- ⇒ Integrate theory and practice.
- ⇒ Assess interests and abilities in their field of study.
- ⇒ Learn to appreciate work and its function towards future .
- ⇒ Develop work habits and attitudes necessary for job success.
- ⇒ Develop communication, interpersonal and other critical skills in the future job.
- ⇒ Build a record of work experience.
- ⇒ Acquire employment contacts leading directly to a full-time job following graduation from college.

3.Third internship (5th/6th Semester period):

During the entire 5th /6th Semester, the student shall undergo Apprenticeship / Internship / On the Job Training.

This is to ensure that the students develop hands on technical skills which will be of great help in facing the world of work.

Learning outcomes:

- ◆ Explore career alternatives prior to graduation.
- ◆ Integrate theory and practice.
- ◆ Assess interests and abilities in their field of study.
- ◆ Learn to appreciate work and its function towards future .
- ◆ Develop work habits and attitudes necessary for job success.
- ◆ Develop communication, interpersonal and other critical skills in the future job.
- ◆ Build a record of work experience.
- ◆ Acquire employment contacts leading directly to a full-time job following graduation from college.
- ◆ Acquire additional skills required for the world of work

Universities and colleges should follow the APSCHE guidelines for the Year –End semester term project and the program book designed for the purpose..

Internships:

As per the revised CBCS based curriculum which is implemented from the academic year 2020-21, three internships are mandatory for all students for the programme of study (B.Sc/B. Com/BCA).The following is the evaluation methodology for awarding marks/grades proposed by Andhra Pradesh State Council of Higher Education (APSCHE).

Assessment methodology for Internships I – (On the Job Training I Apprenticeship under the revised CBCS 2020 - 21 onwards)

First internship (April-May after 1st year examinations): Community Service Project Assessment Model for the First Internship (April-May after 1st year examinations):

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be;

Project Log .

Project Implementation	30%
Project report	25%,
Presentation	25%

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- ▷ The individual student's effort and commitment.
- ▷ The originality and quality of the work produced by the individual student.
- ▷ The student's integration and co-operation with the work assigned.
- ▷ The completeness of the logbook.

The assessment for the Community Service Project implementation shall include the following components and based on the entries of Project Log and Project

- a) Orientation to the community development
- b) Conducting a baseline assessment of development needs
- c) Number and Quality of Awareness Programmes organised on beneficiary programmes and improvement in quality of life, environment and social consciousness. motivation and leadership. personality development, etc.
- d) Number Quality and Duration of Intervention/service Programmes (Prevention or promotion programs that aim to promote behavioural Change in defined community contexts to address social problems) organised.
- e) Follow-up Programmes suggested (Referral Services, Bringing Community Participation)
- f) Developing short and mid-term action plans in consultation with local leadership and local government officers. The Project Report should contain
 - a) Introduction, scope, objectives, and methodology
 - b) Project specifications (area / background of the work assigned).
 - c) Problems identified.
 - d) Analyses Of the problems
 - e) Community awareness programmes conducted w.r.t the problems and their outcomes.
 - f) Intervention/service programmes taken up
 - g) Short-term and long term action plan for implementation
 - h) Recommendations and conclusions.
 - i) References

The Project Presentation is to be made by the student after he/she reports back to the College.

Second Internship (April-May after 2nd year examinations):
Apprenticeship / Internship I On the job training I In-house
Project I Off-site Project

Assessment Model for the Second Internship (April-May after
2nd year examinations):

There will be only internal evaluation for this internship. Each faculty member is to be assigned With 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks and the credits assigned are 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be: Project Log

Project Implementation	30%
Project report	25%,
Presentation	25%

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- a) The individual student's effort and commitment.
- b) The originality and quality of the work produced by the individual student.
- c) The student's integration and co-operation with the work assigned.
- d) The completeness of the logbook.

The assessment for Project Implementation during second internship / Project Work / On the Job Training / Apprenticeship shall include the following components and based on the entries of Project Log and Project Report:

- a) Involvement in the work assigned
- b) Regularity in the work assigned
- c) New knowledge acquired
- d) New skill acquired

The Project Report should contain

- a) Introduction.
- b) Project specifications (area / background of the work assigned).
- c) Problems taken up.
- d) Analysis of the problem.
- e) Recommendations and conclusions.

The Project Presentation is to be made by the student after he, 'she reports back to the College. The components for assessment are

- a) assessing the involvement in the project
- b) presentation skills
- c) final outcome of the project as evinced by the Student.

Third internship (5th/6thSemester period):

Assessment model for the semester long apprenticeship / on the job training I internship's during the VI Semester:

The assessment for the V / VI Semester long apprenticeship is for 200 marks and credits assigned are 12.

A monthly report is to be submitted to the teacher guide online within 15 days after the completion of every month up to four months. The last two months of internship period shall be used for preparation of final project report simultaneously undergoing on the job training / internship / apprenticeship.

The assessment for this internship / on the job training will be both intimal and external assessment. The intimal assessment will be for 25% of marks which will be continuous and the assessment by the industry / enterprise / organisation where the student does his/her internship will be indicated in grades.

A template to that extent is appended as Annexure — 1. This assessment is to be conducted by a responsible person (General Manager / HR Manager / Head of the Division) in consultation with the supervisor under whom the internship was done.

The components of internal assessment during this third internship / Project Work / On the Job Training / Apprenticeship shall include the following components and based on the entries of Project Log and Project Report:

- a) Involvement in the work assigned
- b) Regularity in the work assigned
- c) New knowledge acquired
- d) New skill acquired

The Project Report should contain

- a) Introduction.
- b) Project specifications (area / background Of the work assigned).
- c) Problems taken up.
- d) Analysis of the problem.
- e) Recommendations and conclusions.

The Project Presentation is to be made by the student after he/she reports back to the College. The components for assessment are —

- a) assessing the involvement in the project
- b) presentation skills
- c) Final outcome of the project as evinced by the student.

There shall be a final evaluation committee comprising of Principal, Teacher Guide, Internal Expert and External Expert nominated by the affiliating university. The final evaluation committee shall consider the following for evaluation -

- Monthly Reports submitted by the student
- Final Project Report
- Grading given by the Company / Business unit / Enterprise where the student has undergone the training. The grades shall be converted into marks on the scale followed by the University.

To evaluate and award marks, the Committee conducts viva voce examination at the college.

Community Service Project

The detailed Guidelines of Community Service Project given by AP State Council of Higher Education for the students of first year (Have to do after 2nd semester) are as follows:

1. It is mandatory for all the students who are in second semester have to complete 2 months (180 hours) of Community Service Project as a part of the 10-month mandatory internship/on the job training.

2. Consider yourself as a committed volunteer in the community, you work with.

3. Every student should identify the village/community/habitation for Community Service Project (CSP) in consultation with the College Principal/the authorized person nominated by the Principal.

4. Report to the community/habitation as per the schedule given by the College. You must make your own arrangements of transportation to reach the community/habitation.

5. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow volunteers. Post your daily activity done and/or any difficulty you encounter during the programme.

6. You should maintain punctuality in attending the CSP. Daily attendance is compulsory.

7. You are expected to learn about the community/habitation and their problems.

8. Know the leaders and the officials of the community/habitation.

9. While in project, always wear your College Identity Card.

10. If your college has a prescribed dress as uniform, wear the uniform daily.

11. Identify at least five learning objectives in consultation with your Faculty Guide. These learning objectives can address:

- ◆ Information about the community, including the realities and problems of the society.
- ◆ Need for creating awareness on socially relevant aspects/ programs.
- ◆ Acquiring specific Life Skills.
- ◆ Learning areas of application of knowledge and technologies related to your discipline.
- ◆ Identifying developmental needs of the community/habitation.

12. Practice professional communication skills with team members, and with the leaders and officials of the community. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
13. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
14. At the end of Community Service Project, you shall be evaluated by the person in-charge of the community/habitation to whom you report to.
15. There shall also be evaluation at the end of the community service by the Faculty Guide and the Principal.
16. Do not indulge in any political activities.
17. Ensure that you do not cause any disturbance to the inhabitants or households during your interaction or collection of data.
18. Be cordial but not too intimate with the persons you come across during your service activities.
19. You should understand that during this activity, you are the ambassador of your college, and your behaviour during the community service programme is of utmost importance.
20. If you are involved in any discipline related issues, you will be withdrawn from the programme immediately and disciplinary action shall be initiated.
21. Do not forget to keep up your family pride and prestige of your college.
22. Remember that you are rendering valuable service to the society and your role in the community development will become part of the history of the community.

Short-Term Internship

Specific guidelines given by Andhra Pradesh State Council of Higher Education to the students of 2nd year (have to do after 4th semester) for STI are as follows:

1. It is mandatory for all the students to complete 2 months (180 hours) of short-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/she will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.

11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your college, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your college.

EXAMINATION COMMITTEE:

Our college has an Examination Committee to look after the whole internal assessment process.

FUNCTIONS:

- ◆ Prepares Examinations Calendar at the beginning of the semester duly following academic calendar of the affiliating university.
- ◆ Notifies the schedule well in advance to the students through circular besides displaying on the notice boards.
- ◆ Ensures that the setting of question paper is in accordance with the pattern adopted for CIA.
- ◆ Conducts the Internal Examination as per the schedule.

GRIEVANCE REDRESSAL MECHANISM:

The following three tier Grievance Redressal mechanism is practised in our college to redress the grievances raised by students regarding examinations.

INTERNAL EXAMINATIONS:

- ❖ After the time bound evaluation of internal answer scripts, students get an opportunity to review their papers and interact with the teacher about their performance and resolve the grievances if any.
- ❖ If the students are not satisfied, they may approach the HOD of the respective departments and get it resolved.
- ❖ If still the students are not yet satisfied, they may consult one of the members of Examination Committee and express his / her grievance.

The committee looks into examination related grievances. It takes necessary steps to redress them amicably within one week. Thus, obtained grievances are taken into consideration, resolved and final marks are brought to the notice of the student to his / her satisfaction.

SEMESTER END EXAMINATIONS:

The grievances reported if any with respect to SEE are sent to Controller of Examinations of affiliating University. The Chief Superintendent of the examination looks after grievances during the university examinations and coordinates in case of any discrepancy in the hall tickets. As soon as the results are declared the students are given awareness about the procedure of applying for revaluation and recounting. The applications received are consolidated and sent to the University for necessary action.

The college implemented CBCS along with semester system as per the instructions of the UGC and APSCHE in the academic year 2015-16. The institution has to follow the timeline of internal examinations given by Acharya Nagarjuna University. As per the question paper pattern, the external evaluation is for 75 marks and internal evaluation is for 25 marks.

Continuous Internal Assessment System:

The College follows and adheres to the guidelines given by the affiliating university for conducting internal assessment. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in advance as follows.

- ❖ At the beginning of the semester, faculty members inform the students about the assessment process during the semester as directed by the university.
- ❖ Schedule of internal examinations and semester end theory and practical exams are prepared as per the university academic calendar.
- ❖ The examination committee conducts tests as per the schedule with two internal exams for each semester.
- ❖ The progress of the students is monitored by their performance in internal assessment examinations and attendance.
- ❖ The students are given valued answer scripts for their perusal to know where they went wrong, and to satisfy themselves about the valuation.
- ❖ Then the marks are entered. Remedial classes are scheduled for slow-learners basing on their performance in mid examinations.

The Internal Assessment has been given 30 % of Weightage in overall examination for all Domain subjects.

- This 30 % of Weightage is divided into

Internal -I	20 Marks
Internal -II	20 Marks
Assignments	5 Marks
Seminar/ Attendance / GD/Field Trips	5 Marks
Total	30 Marks

Assignments: Students are assigned different tasks based on their learning levels, and assignments are evaluated by faculty based on criteria such as timely submission, clarity, neatness, etc.

- The internal examinations are conducted with utmost care and transparency with fairness.

University (Semester End Examinations):

The university theory examinations are conducted at centres prescribed by the university. The end examinations for the laboratory and projects are conducted with external and internal examiners. The external examiner is appointed from other colleges by the university examination cell.

Redressal mechanism for Continuous Internal Examinations:

The institution has set up a perfect mechanism to deal with the examination related grievances of the students. Examination committee takes care of resolving all types of examination grievances received from the students.

Grievances expressed by the students in internal examinations conducted by the college are resolved within a week by the respective subject Lecturer. Corrected answer scripts are shown to the students and if any grievances (like mistakes noticed in totalling or posting) are raised by the students will be corrected by the concerned Lecturer immediately.

Redressal Mechanism for University Semester End Examinations:

After announcing the end semester results by the university, students who are not satisfied with the marks obtained in their subjects, approach the examination grievance cell.

As per the university examination norms, re-counting, revaluation and personal verification of answer scripts are allowed. Last date of submission of applications and fee particulars for verification is displayed on the notice board.

Members of examination Grievance cell provide all types of guidance and support to all the students coming with grievances and submit the data of all such students to university within the stipulated time.

- ❖ **Re – counting:** A student may apply for re- counting of marks in any paper within 10 days from the date of announcement of marks /declaration of results by paying prescribed recounting fees.
- ❖ **Revaluation:** A student may apply for revaluation in the prescribed application in any paper within 10 days from the date of announcement of marks /declaration of results by paying prescribed revaluation fees.

Multiple Entry and Exit Options

● Purpose: Flexibility is important to choose one's academic pathway to the award of certificate, diploma, and degree. There are occasions when learners have to give up their education mid-way for various reasons. The academic records/marks/credits for such incomplete academic programmes remain unaccounted. In order to address such issue, the curriculum framework paves way for multiple entry and exit in to the degree programme.

- The purpose of Multiple Entry and Exit Options shall meet the following objectives –
- An initiative to curtail the dropout rate and improve GER.
- Offers flexibility in making choice between continuing of education at a stretch for 4 years and exiting and taking up job and returning back to the learning system.
- Offers different designs of programmes of study, viz., certificate, diploma, degree and degree with honours.
- Ensures scaling up from certificate level to degree with honours level.
- Enables credit accumulation and transfer of credits.
- Ensures zero-year-loss to students in the event of exiting in between the 4-year programme of study.
- Operative Details of ME-ME

1st year

- Entry 1: The entry requirement for the 1st year of 4-year Degree (Level – 4.5 of National Credit Framework (NCrF) of UGC) is Intermediate/12th class of CBSE/ or any other equivalent certificate approved by the Board of Intermediate Education.
- Exit 1: A Certificate will be awarded when a student exits at the end of the year 1 (Level 4.5).
- Certificate in Sciences/Arts & Humanities/Commerce/Business Management/Business Administration / Computer Applications / Hotel Management is to be awarded if students exit after successful completion of 1 year of study in B.Sc / B.A / B.Com / BBA / BBM / BCA / BHM respectively. However, the students are required to pass all courses, Languages, Multidisciplinary, Skill Enhancement and Core Courses in Major and Minor along with completion of Community Service Project in the summer term.

2nd year:

- ◆ Entry 2: The entry requirement for 2nd year of 4-year Degree (Level – 5 of NCrF of UGC) is a Certificate obtained after completing the first two semesters of the undergraduate programme. A student can seek entry into the 2nd year of study in a college, provided there are vacancies in that particular programme in that college. The transfer admission shall be within the intake permitted to the college.
- ◆ Exit 2: A Diploma will be awarded when a student exits at the end of the 2nd year (Level 5 of NCrF).
- ◆ Diploma in Sciences / Arts & Humanities / Commerce / Business Management / Business Administration / Computer Applications / Hotel Management is to be awarded if students exit after successful completion of 2nd year of study in B.Sc / B.A / B.Com / BBA / BBM / BCA / BHM respectively. However, the students are required to pass all courses, Languages, Multidisciplinary, Skill Enhancement and Core Courses in Major and Minor along with completion of Community Service Project in the summer term between 1st and 2nd year and short-term internship in the summer term between 2nd and 3rd year.

3rd year:

- ◆ Entry 3: The entry requirement for 3rd year of 4-year Degree (Level – 5.5 of NCrF of UGC) is a Diploma obtained after completing two years (4 semesters) of the undergraduate programme. A student can seek entry into the 3rd year of study in a college, provided there are vacancies in that particular programme in that college. The transfer admission shall be within the intake permitted to the college.
- ◆ Exit 3: A Degree will be awarded when a student exits at the end of the 3rd year (Level – 5.5 of NCrF). Bachelor's Degree in Sciences / Arts & Humanities / Commerce / Business Management / Business Administration / Computer Applications / Hotel Management is to be awarded if students exit after successful completion of 3rd year of study. However, the students are required to pass all courses, Languages, Multidisciplinary, Skill Enhancement and Core Courses in Major and Minor along with completion of Community Service Project in the summer term between 1st and 2nd year and short-term internship in the summer term between 2nd and 3rd year and a full-semester internship.
- ◆ The Degree awarded shall include the Major and Minor/s in parenthesis. For Ex., B.Sc (Zoology with Chemistry Minor)

4th year:

- ⌘ Entry 4: The entry requirement for 4th year of 4-year Degree (Level – 6 of NCrf of UGC) is a degree obtained after completing three years (6 semesters) of the undergraduate programme. A student can seek entry into the 4th year of study in a college, provided there are vacancies in that particular programme in that college. The transfer admission shall be within the intake permitted to the college.
- ⌘ Exit 4: A Degree with Honours will be awarded when a student exits at the end of the 3rd year (Level – 6 of NCrf). Bachelor's Degree with Honours in Sciences/Arts & Humanities/ Commerce/Business Management/Business Administration / Computer Applications /Hotel Management with Honours is to be awarded if students exit after successful completion of 4th year of study.
- ⌘ The name of the Major/s shall be indicated in parenthesis and the name of the Minor/s. For ex., B.ScHonours (Zoology with Chemistry as Minor) or B.ScHonours (History with Political Science as Minor) and so on.
- ⌘ If the student completes the 4th year with courses in research methodologies and a rigorous research project in one of the major of study, a Bachelor degree (Honours with research) is awarded

Program Outcomes and Benefits

A. Knowledge and Skills Development

- ◆ Knowledge and skills development can be explained as a crucial program outcome and benefit of a 4-year Honours Degree Program. As students progress through the program, they acquire a wide range of subject-specific knowledge and general skills that prepare them for success in their chosen field and beyond.
- ◆ Subject-Specific Knowledge: In-Depth Understanding: The 4-year Honours Degree Program provides students with an opportunity to develop a deep understanding of their chosen major. Through advanced coursework and specialized study, students gain expertise in their field of interest. Critical Analysis: Students learn to critically analyze complex concepts and theories within their major. They acquire the ability to evaluate and apply knowledge to real-world scenarios, fostering problem-solving skills.

- ◆ **Interdisciplinary/Multidisciplinary Knowledge:** Holistic Perspectives: Honours Degree Programs often encourage interdisciplinary learning, allowing students to explore connections between different fields of study. This broadens their perspectives and promotes a well-rounded education. Integrative Learning: Students develop the ability to integrate knowledge from various disciplines, enabling them to address multifaceted challenges with a comprehensive approach.
- ◆ **Communication Skills:** Written Communication: Students enhance their written communication skills by preparing reports, essays, and research papers. They learn to articulate complex ideas clearly and effectively. Oral Presentation: Through presentations and seminars, students develop strong oral communication skills, enabling them to present ideas confidently and persuasively.
- ◆ **Research and Analytical Skills:** Research Experience: Honours Degree Program with Research typically include research components such as a capstone project or thesis. Students engage in research methodologies, data analysis, and independent inquiry, honing their research skills. Critical Thinking: Through research and coursework, students cultivate critical thinking abilities, enabling them to analyze data, evaluate evidence, and form well-founded arguments.

A. Career Opportunities and Graduate Employability

- ✦ Career options and graduate employability are the significant program outcomes and benefits of the 4-year Honours Degree Program. The program equips students with the necessary knowledge, skills, and experiences to pursue diverse career paths and enhances their potential for successful employment after graduation.
- ✦ The 4-year Honours Degree Program provides students with specialized knowledge and expertise in their chosen field of study through advanced coursework and in-depth study.

- ❖ Graduates possess a deep understanding of their subject, making them more attractive to employers seeking candidates with specialized knowledge and skills.
- ❖ Throughout the program, students develop a range of industry-relevant skills such as critical thinking, problem-solving, data analysis, research, and communication skills.
- ❖ Graduates are well-prepared to meet the demands of the job market and can apply their skills effectively in professional settings.
- ❖ Honours Degree Program incorporate mandatory internships; hence graduates gain valuable practical experience during their studies, enhancing their employability by demonstrating hands-on skills and industry exposure.
- ❖ Honours Degree Program emphasizes critical thinking and adaptability, preparing students for the rapidly changing job market.
- ❖ Graduates are equipped to navigate and thrive in dynamic work environments, and they possess a strong foundation for continuous learning and skill development.
- ❖ As a result of the specialized knowledge, skills, and experiences gained, graduates are highly sought after by employers. And enjoy enhanced employability and marketability, increasing their chances of securing rewarding job opportunities and career advancement.

C. Further Education and Postgraduate Studies

- ❖ After completion of the first 3 years of study in the Honours Degree Program, if a student exits, he/she is awarded a Degree and is eligible to pursue a 2-year Postgraduate Program.
- ❖ A student getting a UG Honours Degree can do 1-year Postgraduate Program. • A student awarded with UG Honours Degree with Research is eligible to get direct admission into Ph.D. program provided the student secures 75% and above marks.

IKS# Indian Knowledge Systems - Audit Course

Guidelines for Evaluation of the Foundational Level Courses of the 1st Semester in the 4-year UG Honours Programs w.e.f 2023-24

1.Background:

Commencing in the academic year 2023-24, a 4-year undergraduate (UG) Honors Program, is launched. This unique program encompasses both a Single Major and a Minor.

Within the first semester of this 4-year UG program, two fundamental courses have been designed. These courses fall into four distinct categories: one category is consistent across all arts and social sciences majors, another is tailored for commerce and business administration majors, a third category is designed for biological sciences majors, and the fourth category is intended for students majoring in mathematics, statistics, physical sciences, chemical sciences, and computer science. It's important to note that these courses are foundational in nature.

2.Objectives of designing the first two courses:

The courses in the first semester of graduate programs serve various objectives, with the primary goal of providing students with the necessary skills, knowledge, and preparation to succeed in their chosen field of study. The specific objectives of introducing pathway courses include:

1. Prepare Students for Advanced Study in a Major or for choosing a Minor:

One of the primary objectives is to prepare students for the rigor of advanced graduate-level coursework by bridging any knowledge or skill gaps they may have. The courses shall also help the students in choosing a particular Minor of his/her interest.

2. Ensure a Strong Foundation:

Help students build a strong foundational understanding of the core concepts and principles in their field, ensuring that they have the necessary background to succeed in more specialized courses.

3. Address Diverse Backgrounds:

Accommodate students with diverse academic backgrounds and experiences, allowing them to come up to speed regardless of their prior education.

4. Promote Interdisciplinary Understanding:

Encourage a holistic understanding of the subject matter, especially in understanding the multidisciplinary or interdisciplinary nature of the chosen domain of study, by covering a broad range of topics and perspectives.

5. Foster a Growth Mindset:

Instill a growth mindset and a commitment to lifelong learning, encouraging students to understand and adapt to new challenges and opportunities in their field.

6. Ensure Compliance with Program Requirements:

Ensure that students meet the minimum requirements for admission into the graduate program, especially in cases where students may lack prerequisites for their desired program.

7. Enhance Retention and Graduation Rates:

Improve retention and graduation rates by giving students the tools they need to succeed, reducing attrition due to unpreparedness.

8. Customize Learning Experiences:

Allow students to choose their minor and online courses to align with their individual needs and career goals, ensuring a more personalized educational experience.

9. Provide Transitional Support:

Offer academic and transitional support services to help students acclimate to the demands of graduate-level education.

Thus, these courses are designed to support students' academic and professional development, ensuring they are well-equipped to excel in their chosen graduate programs and make meaningful contributions to their respective fields.

3. List of courses designed –

For Arts and Social Sciences:

1. Fundamentals of Social Sciences
2. Perspectives on Indian Society

For Commerce/Business Administration:

1. Fundamentals of Commerce
2. Business Organization

For Biological Sciences

1. Introduction to Classical Biology
2. Introduction to Applied Biology

For Mathematics/Physical/Chemical/Computer Sciences:

1. Essentials and Applications of Mathematical, Physical and Chemical Sciences
 2. Advances in Mathematical, Physical, and Chemical Sciences.
- Universities are also given the freedom to devise such types of courses wherever necessary, meeting the stated objectives.

1. Evaluation Methodology:

As these courses have been structured with distinct and individualized goals, there is a recognized need for a standardized evaluation approach. Consequently, it is suggested that the assessment of these courses will adopt an objective format, encompassing multiple choice questions, completion exercises, matching exercises, concise one-word responses, and succinct one-sentence responses.

2. Objective Format of Evaluation

The main aims of having an objective format in the evaluation methodology of these courses which are at the foundation level are

1. Consistency and Fairness: Objective formats, such as multiple-choice questions, provide a standardized and consistent method of assessment. This helps ensure that all students are evaluated based on the same criteria, promoting fairness in the evaluation process
2. Efficiency: Objective assessments can be efficiently administered and graded, particularly in larger classes. This saves time and resources for both faculty and students.
3. Objective Measurement: Objective assessments offer a more objective and quantifiable measure of a student's knowledge and skills. The results are less susceptible to subjectivity or bias on the part of the grader.
4. Assessment of Diverse Learning Objectives: Objective formats can assess a wide range of learning objectives, from basic recall of facts (remembering) to more complex skills like analysis, application, and evaluation. This versatility makes them suitable for various courses and learning outcomes.

5. **Alignment with Learning Objectives:** Objective questions can be carefully aligned with specific learning objectives, ensuring that the assessment directly measures what students are expected to know and be able to do.
6. **Reliability:** Objective assessments tend to have higher reliability because they are less prone to subjective interpretation. Reliable assessments consistently measure a student's knowledge and skills.
7. **Validity:** Properly designed objective assessments are often considered to have high content validity because they can cover a broad range of content areas. They can also be designed to measure other forms of validity, such as construct or criterion-related validity.
8. **Scalability:** Objective formats are easily scalable to accommodate larger student populations, making them suitable for both small and large classes.
9. **Data Analysis:** Objective assessment results can be subject to quantitative data analysis, which can be valuable for program evaluation, improvement, and accreditation purposes.
10. **Feedback for Course Improvement:** By analyzing the results of objective assessments, instructors and institutions can identify areas where students may be struggling and make curriculum adjustments to improve student learning outcomes.
11. **Assessment of Fundamental Concepts:** Objective assessments are particularly effective for evaluating fundamental concepts that serve as a foundation for more advanced coursework.

6.Designing an Objective Test Format:

Designing objective questions for evaluating these foundation courses involves creating questions that effectively assess students' understanding and knowledge of the fundamental concepts and skills taught in the course. Designing objective questions, including multiple-choice questions (MCQs), true or false questions, and fill-in-the-blank questions, by aligning them with the different levels of Bloom's Taxonomy is desirable.

The focus shall be on –

1.Understanding the Learning Objectives:

Start by thoroughly understanding the learning objectives of the foundation course. These objectives should guide the question design.

2. Determining Question Types: Decide on the types of objective questions that are to be included in the evaluation. Common types include MCQs, true or false questions, and fill-in-theblank questions, matching, one-word or one-sentence responses.

3. Categorizing by Cognitive Level: Categorizing the learning objectives and topics based on the cognitive levels of Bloom's Taxonomy, which include, Remembering, Understanding, Applying, Analyzing, Evaluating, and Creating.

4. Balancing the Cognitive Levels: A balanced distribution of questions across the cognitive levels, with a focus on assessing different levels of understanding needs to be ensured. This will help evaluate whether students have grasped the foundational knowledge and can apply it appropriately.

5. Writing MCQs:

- For Remembering: Creating MCQs that assess students' recall of basic facts and concepts.
- For Understanding: Designing MCQs that evaluate comprehension of principles or theories.
- For Applying: Formulating MCQs that challenge students to use their knowledge to solve problems or make decisions.
- For Analyzing, Evaluating, and Creating: These higher-order levels may be more challenging with MCQs, but still, questions can be framed that involve critical thinking.
- For instance, asking students to choose the best solution among options, evaluating the correctness of statements, or completing scenarios.

1. Writing True or False Questions:

True or false statements shall also align with the learning objectives. These questions are particularly suitable for assessing understanding and recalling factual information.

2. Writing Fill-in-the-Blank Questions:

Fill-in-the-blank questions shall be used to assess students' ability to complete sentences, definitions, or statements. These questions can be effective for testing knowledge recall.

3. Avoid Ambiguity:

It is to be ensured that all questions and statements are clear and free from ambiguity. Each question should have a single correct answer.

4. Balancing and Sequencing:

Distributing questions evenly throughout the evaluation and arranging them logically in terms of difficulty and cognitive levels needs to be ensured.

5. Grading Rubrics:

If applicable, provide grading rubrics for open-ended questions and clear guidelines on how to evaluate answers may be provided. The process of creating objective questions to assess these foundational courses necessitates thoughtful reflection on the course's objectives and the cognitive levels that need to be appraised. It is essential to develop an efficient evaluation instrument that accurately gauges whether students have acquired the vital knowledge and competencies taught in these foundational courses.

8.Semester End Evaluation & Internal Assessment:

70 marks for Semester End Examination and 30 marks for Internal Assessment. Proportionate changes could be made if there is a change in the marks assigned for Semester End and Internal Assessments. The examination will have a maximum duration of 2 hours.

9.Question Paper Pattern:

Question Paper Taxonomy													
Level of Bloom's Taxonomy	Type of Question & Marks Assigned												
	MCQ's			FIB			VSQ			MC			T/F
	CIA	SEE		CIA	SEE		CIA	SEE		CIA	SEE	CIA	SEE
Remembering	3M	10M											
Understanding	3M	10M											
Applying	4M	10M											
Analyzing							5M	10M					
Evaluating										5M	10M	5M	10M
Creating				5M	10M								

MCQs: Multiple Choice Questions 1 mark per question. 1.5 minutes to answer

FIB: Fill in the blanks. 1 mark for question. 1.5 minute to answer

VSQ: Very short answer questions. 1 mark per question. 1.5 minute to answer

MC: Matching. 5 marks for matching of 5 items. 2.5 minutes to answer

T/F: True or False. 1 mark per question. 1.5 minutes to answer

(m: marks; CIA: Continuous Internal Assessment; SEE: Semester End Examinations).

10. Each University shall prepare a Question Bank as per the Question Paper Taxonomy suggested above.

11. Universities shall prepare 4 series of Question Paper cum Answer Booklets marked A, B, C, and D with the questions jumbled, with equal weightage for all units of the syllabus.

12. The seating plan of the examination hall shall be prepared for students in multiples of 4 plus 2 or 8 plus 2 in a column as is done in the conduct of competitive examinations.

13. The question paper cum answer booklet shall bear the Register number of students and the question paper code (A or B or C or D) of that particular candidate.

14. For very short answer questions answers shall be given in one sentence and grading rubrics shall be provided for evaluation.

15. The key for the question paper series shall be provided and shall be in the custody of the Controller of Examinations.

7.TEACHING FACULTY – UG & PG COURSES

2024 – 2025

S. No	Name of the Faculty	Designation / Department

----	---	------

Dept. of Statistics Director of PG

15	Mrs. G. Vijaya Lakshmi, M.Sc	Lecturer, Dept. of Statistics
----	------------------------------	-------------------------------

DEPARTMENT OF COMPUTER SCIENCE

- 16 Mrs. D. Swarna CharaniRai, MCA HOD, Dept. of Computer Science
- 17 Mrs. M. Usha Rani, MCA HOD, Dept. of MCA
- 18 Mrs. B. Usha Rani, MCA HOD, Dept. of BCA
- 19 Mrs. D. V. Ramanamma, MCA Lecturer, Dept. of Computer Science
- 20 Miss. G. Vani, MCA Lecturer, Dept of Computer Science
- 21 Miss. B. Manasa, MCA Lecturer, Dept of Computer Science
- 22 Miss. P. Anitha , MCA Lecturer, Dept of Computer Science
- 23 Mrs. T. Durga Bhavani, MCA Lecturer, Dept. of Computer Science
- 24 Mrs.A.Rose Mary, MCA Lecturer, Dept. of Computer Science

DEPARTMENT OF BIO-TECHNOLOGY

- 25 Mrs. K. Vanaja, M.Sc., B. Ed HOD, Dept. of Biotechnology
- 26 Sr. G. Margaret Priyanka, M.Sc ; B.Ed (Ph.D)Lecturer, Dept. of Biotechnology

DEPARTMENT OF BOTANY

- 27 Mrs.K.Vidyadhari, M. Sc, M. Ed HOD, Dept. of Botany
- 28 Mr.D.Simon, M.Sc, B. Ed Lecturer, Dept. of Botany
- 29 Sr.V.L. Jyothi, M.Sc; MBA Lecturer, Dept. of Botany

DEPARTMENT OF MICROBIOLOGY

- 30 Mrs. B. Ranjitha, M.Sc HOD, Dept. of Microbiology
- 31 Miss. Keerthana Ruth, M.Sc Lect. in BiotechnologyGuest Faculty

DEPARTMENT OF ENGLISH

- 32 Mrs.P.Sandhya, M.A (English) HOD, Dept. of English
- 33 Miss.K.Grace Shanthi Ann M.A (English) Lecturer, Dept. of English
- 34 Mrs. T. Anusha Dev, M.A;B.Ed ; MBA Lecturer in Soft Skills & Spoken English

DEPARTMENT OF ORIENTAL LANGUAGES (TELUGU & SANSKRIT)

- 35 Mr.I.Adi Lakshmi M.A Telugu & Sanskrit(Lit), T.P.T HOD, Dept. of Sanskrit
NSS Incharge
- 36 Mrs.R.Phani Rajya Lakshmi M. A Telugu B. Ed Lecturer , Dept. of Telugu

DEPARTMENT OF MBA

- 37 Dr. P. L. Narasimha Rao, M.Com, M. Phil, Ph. D Professor, Dept. of MBA
- 38 Dr. G. Radhika, M. Com, MBA, M. Phil, Ph. D HOD, Dept. of MBA
- 39 Dr. V.Vani, MBA, Ph. D Associate Professor, Dept. of MBA
- 40 Mrs.J.Sirisha, MBA Lecturer, Dept. of MBA
- 41 Miss.B.Maheswari, MBA Lecturer, Dept. of MBA

DEPARTMENT OF LIBRARY SCIENCES

- 42 Mrs.G.Sailaja M.A, M. Li. Sc PG Librarian
- 43 Mrs.D.Anitha M.A, M. Li. Sc UG Librarian

DEPARTMENT OF PHYSICAL EDUCATION

- 44 Mr.G.BalaShowreddy M. Physical Director
- 45 Lt.K.Susmitha M. Assistant Physical Director & Associate NCC Officer

8.ADMINISTRATIVE STAFF

1	Sr. Margaret Priyanka .G	Office Superintendent and Accountant
2	Sr. Jasintha Irudayasamy	Assistant Accountant
3	Vemula Ratna Kumari	Sr. Assistant
