PRAYERS & COLLEGE SONG /COLLEGE ANTHEM**LORD'S PRAYER**

"Our Father in Heaven,
Holy be Your Name.
Your Kingdom come,
Your will be done on Earth as it is in Heaven.
Give us this day our daily bread.
Forgive us our sins,
as we forgive those who sin against us.
Do not lead us to the test,
but deliver us from evil.
Amen."

COLLEGE PRAYER

"O God!
You are the truth and origin of our knowledge.
Bless our studies, which we consecrate to You.
Enlighten our minds, strengthen our memories,
direct our will towards what is right,
grant us to speak the truth always
and make us truly wise.
Amen."

COLLEGE SONG/COLLEGE ANTHEM***Jesus, the Light of the World***

Jesus, the Light of the world,
Shine upon our St. Ann's.
Rain the spirit of wisdom,
Reign love to the ends of the world.

Chorus

Shine, shine, shine,
Let Your light shine.
Jesus, the Light of the world,
Banish our ignorance,
Plant in us divine power,
Reign love to the ends of the world.

Shine...

Jesus, the Lord of the universe,
Make Your children universal,
Live peace, prosperity, and fraternity,
Reign love to the ends of the world.
Shine...

1.PRINCIPAL’S PROFILE & MESSAGE

Academician | Visionary Administrator | Empowerment Advocate

Sr. Sandhya Thumma stands as a dynamic leader, blending academic excellence with visionary administration. Since assuming office as the Principal of *St. Ann’s College for Women, Gorantla* on June 25, 2024, she has been instrumental in steering the institution towards a new phase of growth, innovation, and academic distinction.

With an impressive academic portfolio—MBA, M. Com, M.Ed., and (Ph.D)—Sr.Sandhya embodies a commitment to lifelong learning and intellectual rigor. Her scholarly depth and leadership insight continue to inspire both faculty and students to strive for excellence.

At the heart of her leadership lies the “3C” Philosophy—Character, Competence, and Compassion. She envisions education as a transformative journey that goes beyond degrees, nurturing women into confident, responsible, and globally competent individuals.

Under her guidance, the institution is steadily evolving into a center of holistic education, empowering young women to lead with integrity, skill, and a strong sense of social responsibility.

Message from the Principal

Dear Students,

It gives me immense pleasure to welcome you to St. Ann’s College for Women. The institution is committed to providing quality education that empowers women intellectually, morally, socially, and professionally.

At St. Ann’s College for Women, we strive to create an academic environment that nurtures critical thinking, creativity, leadership, discipline, and ethical values. Along with academic excellence, the college emphasizes holistic development through co-curricular activities, research, innovation, community service, and skill enhancement programmes.

The institution follows student-centered teaching-learning practices aligned with NEP 2020, NAAC quality initiatives, and UGC guidelines to ensure meaningful and outcome-based education. We encourage every student to utilize the opportunities provided by the institution and contribute positively to society.

I wish all students a successful, enriching, and rewarding academic journey.

Principal

2. OUR HISTORY

Visionary Roots & Foundation

St. Ann's College for Women was founded with a noble vision—to provide a distinguished platform for women's higher education and holistic empowerment. The institution was formally established on 11 August 1997, marking the beginning of a transformative educational mission dedicated to academic excellence, discipline, and value-based learning. The college was established under the visionary leadership of Rev. Mother Mekala Mary Ignatius Loyola, the Superior General of the Society of St. Anne, inspired by the life and mission of Mother Thatipathri Gnanamma, the revered foundress of the Society of St. Anne, who dedicated her life to the noble cause of uplifting women through education, empowerment, and values-based formation.

Soon after its establishment, the college received affiliation from Acharya Nagarjuna University on 16 September 1997, strengthening its academic foundation and enabling it to embark on a journey of quality higher education.

The Formative Years (1997–1998)

The college's academic odyssey began at the Bharathpet campus with the formal affiliation from Acharya Nagarjuna University on September 16, 1997. With an initial approval from APSCHE for 140 seats, we welcomed our pioneer batch of 50 students.

From day one, the institution set a high standard by offering all programs exclusively in the English medium, prioritizing professional readiness and global competence. The foundation was built upon four core undergraduate streams:

- B.Sc. (Mathematics, Physics, Chemistry)
- B.Sc. (Microbiology, Botany, Chemistry)
- B.A. (Mathematics, Economics, Statistics)
- B.Com. (General)

Establishing the Gorantla Campus

The institution's growth soon led to the establishment of its own permanent campus at Gorantla, Guntur, marking a significant chapter in its history.

A major milestone was reached on 7 February 1999, when the foundation stone for the new campus was ceremonially laid by Rev. Mother Mekala Mary Ignatius Loyola, Superior General of the Society of St. Anne, and blessed by Rev. Fr. Y. Thomas, Parish Priest.

Following swift progress in construction, the college building was formally inaugurated on 23 October 1999 by Rev. Mother Mary Ignatius Loyola and blessed by Dr. Gali Bali, Bishop of Guntur.

Soon thereafter, on 1 November 1999, St. Ann's College for Women proudly shifted to its permanent campus at Gorantla, which continues to stand as a vibrant center of academic excellence, women's empowerment, character formation, and social commitment.

Decade of Expansion (1998–2007)

Between 1998 and 2007, St. Ann's underwent a period of rapid academic diversification to meet the demands of a changing global economy.

The IT Revolution: Responding to the digital era, the college introduced BCA and B.Sc. (MSCs) in 1998, followed by B.Com. (Computer Applications) in 1999.

Scientific Diversification: In 2003, the portfolio expanded to include B.Sc. Biotechnology and additional sections for the highly sought-after MPCs track.

Ascent to Postgraduate Excellence

The college further solidified its reputation by venturing into professional postgraduate education, securing approvals from the All India Council for Technical Education (AICTE).

Master of Computer Applications (MCA): Launched in 2002, the MCA program marked our entry into high-level technical training. Initially a three-year course, it quickly became a cornerstone for developing technical expertise among women.

Master of Business Administration (MBA): In 2007, the college launched its MBA program. Reflecting the institution's prestige, the program achieved 100% enrollment in its inaugural year, nurturing the next generation of women leaders and entrepreneurs.

A Continuing Mission

Today, St. Ann's College for Women stands as a testament to the power of visionary education. We remain dedicated to the noble cause of uplifting women, ensuring that every student who walks through our gates graduates not only with a degree but with the values and skills to lead a meaningful life.

A Legacy of Leadership

Our institution's journey is shaped by the dedication and vision of its remarkable leaders. We proudly acknowledge the contributions of our former principals, correspondents, and administrators who have guided the college toward excellence.

3.INSTITUTIONAL IDENTITY & STRATEGIC FRAMEWORK

Motto: Educate Enrich Empower

Tagline: Where Knowledge Ignites Empowerment

I. Our Emblem & Motto

"Educate • Enrich • Empower"

The emblem of St. Ann's College for Women is a visual representation of our philosophical foundation. Established in 1997, it serves as a daily reminder of our mission to shape the future of Women through three sacred symbols:

- **The Candle (The Light of Knowledge):** Symbolizes the light of hope and wisdom. It represents our mission to dispel the darkness of ignorance and inspire confidence and joy in learning.
- **The Book (The Foundation of Wisdom):** Signifies the depth of understanding and the academic foundation required for an educated mind.
- **The Lotus (The Spirit of Resilience):** Reflecting purity and an open mind, the lotus signifies our commitment to nurturing personal growth and social responsibility.

III. Vision

To be a premier center of Academic Excellence that fosters Value-Based Education and Innovative Skills, transforming Women into empowered leaders who contribute to the spirit of **Viksit Bharat** with integrity, professional ethics, and global purpose.

IV. Mission

To realize our vision, we are committed to the following four pillars of institutional growth:

- **Innovative Pedagogy:** Implementing novel teaching-learning techniques to achieve excellence in higher education.
- **Character Building:** Enhancing ethical and moral values for the holistic development and character-building of students.
- **Inclusive Environment:** Providing an ideal and diversified learning environment that brightens the lives of rural and urban Women.
- **Skill Integration:** Bridging the gap between Academic knowledge and Practical skills aligning with 'Skill India' goals for career readiness and entrepreneurship.

V. Institutional Objectives (Strategic Goals)

Aligned with the **Quality Mandate** of Higher Education, St. Ann's strives:

- **To Cultivate Academic Rigor:** Continuously upgrading the curriculum to meet global standards and stimulate a spirit of scientific inquiry.
- **To Leverage Digital Innovation:** Integrating modern pedagogical tools, such as e-learning platforms and project-based learning, to enhance student engagement.
- **To Promote Mentorship:** Nurturing students through a robust **Mentor-Mentee System** and student-centric support services.
- **To Instill Resilience:** Transforming students into balanced personalities capable of navigating the professional and personal challenges of the 21st century.
- **To Foster Economic Self-Reliance:** Training students in employability skills and entrepreneurship to ensure financial independence.
- **To Uphold Civic Duty:** Sensitizing students to social responsibility, environmental sustainability, and cultural heritage through extension activities.

VI. Graduate Attributes (The 'St. Ann's Woman' Profile)

The hallmark of a St. Ann's Graduate is defined by these eight core domains.

1. **Academic Proficiency:** Mastery of subject-specific knowledge with an analytical mindset.
2. **Critical & Creative Thinking:** The ability to analyze complex issues objectively and devise innovative solutions.
3. **Leadership & Empowerment:** The confidence to lead teams with empathy and make ethical, value-driven decisions.
4. **Ethical Integrity:** A commitment to transparency, simplicity, and high professional standards.
5. **Effective Communication:** Proficiency in clear, concise expression and empathetic interpersonal collaboration.
6. **Social Responsibility:** A deep-rooted sense of duty toward the common good and nation-building.
7. **Entrepreneurial Mindset:** A proactive drive for self-reliance and the ability to identify economic opportunities.
8. **Lifelong Learning:** The resilience to adapt, upskill, and thrive in a fast-evolving global landscape.

Institutional Distinctiveness

The Annite Way: Igniting Empowerment through Holistic Value-Based Education

At St. Ann's College for Women, Gorantla, our distinctiveness is not just in *what* we teach, but in *who* our students become. Since our inception in 1997, our institutional identity has been defined by a singular, powerful thrust: **Transforming rural and economically challenged young women into self-reliant, ethical leaders of tomorrow.**

✧ The Philosophy of Our Symbols

Our strategic framework is anchored in three sacred symbols that form the "Annite Identity":

- **The Candle:** Representing the Light of Knowledge that dispels the darkness of ignorance.
- **The Book:** Representing the Foundation of Wisdom and academic rigor.
- **The Lotus:** Symbolizing the Spirit of Resilience—the ability to bloom in any environment.

Pillars of Our Distinctive Excellence

1. Bridging the Rural-Professional Divide

Located in the heart of Guntur, we serve as a gateway for first-generation learners. Our distinctiveness lies in providing **Academic Heterogeneity**, offering a diverse spectrum of over 38 program combinations that allow rural students the same intellectual freedom and competitive edge as their urban counterparts.

2. Financial Inclusivity: The "Education for All" Mandate

We believe that financial constraints should never extinguish the "Candle of Knowledge." Our institution is distinguished by its robust **Social Support System**, providing extensive management-funded scholarships and fee concessions. This ensures that the most vulnerable sections of society—especially women from BPL families—gain access to premium higher education.

3. Innovative Pedagogy & Skill Integration

In alignment with our tagline, "*Where Knowledge Ignites Empowerment*," we move beyond rote learning. By integrating **ICT-enabled tools, e-learning, and project-based assignments**, we bridge the gap between classroom theory and industry readiness. Our focus on **Additional Credits** through MOOCs and certificate courses ensures our graduates are "Global-Ready."

4. The "St. Ann's Woman" Profile (Graduate Attributes)

Our success is measured by the eight core domains we instill in every student. We don't just produce graduates; we nurture:

- **Ethical Leaders** who lead with integrity.
- **Entrepreneurial Minds** who strive for economic independence.
- **Socially Responsible Citizens** who carry the spirit of the 'Lotus' to serve their communities.

Impact & Evidence

Our distinctiveness is reflected in our "**Empowerment Loop**":

1. **Enrolling** the underprivileged.
2. **Enriching** them through value-based academic rigor.
3. **Empowering** them with vocational skills and resilience.

Today, St. Ann's graduates are found leading in corporate sectors, excelling in government services, and building stable homes—serving as living proof of our motto: **Educate • Enrich • Empower.**

Connecting Distinctiveness to Best Practices

Our institutional distinctiveness is operationalized through our two flagship Best Practices:

- **[Link: Student Mentorship & Holistic Support]** – Ensuring no student is left behind.
- **[Link: 'Lab-to-Land' Extension Activities]** – Taking education from the classroom to the community.

4. INSTITUTIONAL AWARDS & RECOGNITIONS

St. Ann's College for Women has consistently been recognized for its unwavering dedication to academic excellence, community service, and institutional quality. Our journey is marked by prestigious milestones that reflect our commitment to the "Triple E" philosophy: Educate, Enrich, and Empower.

🏆 Landmark Achievement: NAAC 'A' Grade

The academic year 2024-2025 was crowned by a historic milestone: St. Ann's College for Women was awarded the prestigious 'A' Grade by the National Assessment and Accreditation Council (NAAC) with a CGPA of 3.09 on June 30, 2024.

This remarkable feat, accomplished in our very first accreditation cycle, is a testament to the visionary leadership of our President, Rev. Mother Anthonamma Pyreddy; Provincial Superior & Secretary, Dr. Thumma Theresamma; and our Correspondent (then-Principal), Dr. Sr. Fatima Rani P. The successful Peer Team Visit (June 12-14, 2024), led by Dr. Devinder Kumar, Dr. Mufeed Ahmad, and Dr. Anjali Kulkarni, validated our strengths in teaching, research, and institutional culture. This 'A' Grade serves as a beacon of quality for our future endeavors.

Why St. Ann's Stars Shine Brighter

- Academic Rigor: Curriculum-driven excellence supported by experienced faculty.
- Holistic Support: Mentorship programs that guide students toward competitive rankings.
- Empowering Environment: A culture that celebrates merit and inspires future generations to set new benchmarks in higher education.

"Success is where preparation and opportunity meet. We provide the opportunity; our students provide the excellence."

5.GOVERNANCE STRUCTURE

Governing Body

The Genesis: A Legacy of Empowerment

The Society of St Anne, Phirangipuram, finds its origins in the 19th century, rooted in the visionary spirit of **Mother Thatipatri Gnanamma**. A laywoman from Phirangipuram, Guntur

District, Mother Gnanamma defied the societal norms of her time—where education for girls was an "impossible dream"—to champion the cause of Women's enlightenment.

In 1863, she established the first school exclusively for girls, identifying education as the primary catalyst for social transformation. Her commitment inspired two young women to join her mission, leading to the formal establishment of the Society of the Sisters of St. Anne in 1874. Unlike many religious orders, our Congregation was born not of tradition, but of a specific mission: the empowerment of Women through education.

Evolution and Global Recognition

The Society has evolved into a powerhouse of social and educational change:

- 1999: Conferred with Pontifical Status by Pope John Paul II on May 13th.
- 2008: The administrative units in Phirangipuram and Hyderabad were elevated to Provinces, streamlining our commitment to regional development.
- Today: The Society of St Anne stands as a global community of "willing hands, committed minds, and compassionate hearts," dedicated to fostering a just and equitable society.

Institutional Genesis and Visionary Leadership

The college was established in 1997 under the pioneering aegis of the Society of St. Anne. Since its inception, the governance has been rooted in the society's mission of providing transformative education to women. The leadership has consistently focused on aligning academic goals with institutional values, ensuring that the marginalized sections of society have access to quality higher education.

Governance & Management

The College is a proud constituent unit of the Society of St. Anne, our Mother Society, which has a long-standing legacy of excellence in education and social service. To ensure focused administrative efficiency and financial transparency, the institution's accounts and local governance are managed under the registered entity Dieckmann Convent (Registered in 2020), which serves as the dedicated administrative branch for the college.

The Governing Structure

Our institution follows a multi-tier governance model to ensure that academic goals are met with the highest standards of financial integrity and social responsibility.

1. The Society of St. Anne (Apex Body): Provides the overarching vision, legal framework, and foundational values for the institution.
2. The Governing Body (Dieckmann Convent): As the primary operating authority, the Governing Body oversees the strategic financial planning, budget approvals, and

statutory compliance of the college. It ensures that the institution remains a center of excellence while adhering to the 2020 registration mandates.

3. Institutional Management: Led by the Principal and supported by the Internal Quality Assurance Cell (IQAC), this level focuses on day-to-day academic administration, student welfare, and faculty development.

3. ACADEMIC REGULATIONS & CBCS FRAMEWORK

The college follows the Choice Based Credit System (CBCS), semester pattern, and academic regulations prescribed by UGC, APSCHE, and Acharya Nagarjuna University.

Objectives of CBCS

- Promote student-centered learning.
- Provide academic flexibility.
- Encourage multidisciplinary and interdisciplinary learning.
- Improve employability and skill development.
- Facilitate credit transfer and mobility.
- Support holistic and outcome-based education.

Features of CBCS

- Semester-wise academic system.
- Credit-based curriculum.
- Major and Minor disciplines.
- Elective course choices.
- Continuous Internal Assessment (CIA).
- Outcome Based Education (OBE).
- Internship and experiential learning.
- Skill Enhancement Courses.
- Academic Bank of Credits (ABC).

The CBCS framework enables students to choose courses according to their interests, career goals, and higher education aspirations.

4. NEP 2020 Implementation

The institution has adopted the recommendations of the National Education Policy (NEP) 2020 to provide flexible, multidisciplinary, holistic, and skill-oriented education.

Key Features of Implementation

- Four-Year Undergraduate Programme (FYUGP)
- Major and Minor system
- Multiple Entry and Multiple Exit options
- Academic Bank of Credits (ABC)
- Skill Enhancement Courses (SEC)
- Multidisciplinary learning
- Internship and Community Service Projects
- Outcome Based Education (OBE)

- Research and experiential learning
- Student-centric teaching methodologies

The institution continuously updates its curriculum and academic practices in accordance with UGC, APSCH, and University guidelines.

Multiple Entry & Exit System under NEP 2020

The NEP 2020 introduces a flexible Multiple Entry and Exit system in undergraduate education, enabling students to enter and exit the programme at different stages without losing academic credits. The system supports flexibility, lifelong learning, and academic mobility.

Exit Options

After First Year

Students who successfully complete:

- Two Semesters
- Required Credits
- Community Service Project (CSP)

will be awarded:

Certificate in the respective discipline

After Second Year

Students who successfully complete:

- Four Semesters
- Required Credits
- CSP and Internship Requirements

will be awarded:

Diploma in the respective discipline

After Third Year

Students who successfully complete:

- Six Semesters
- Required Credits
- Full Semester Internship

will be awarded:

Bachelor's Degree

The Degree shall indicate both:

- Major Subject
- Minor Subject

Example:

B.Sc. (Biotechnology with Botany Minor)

After Fourth Year

Students who successfully complete:

- Eight Semesters
- Advanced Courses
- Research/Project Components

will be awarded:

Bachelor's Degree with Honours

Students completing research projects may receive:

Bachelor's Degree with Honours and Research

Benefits of the System

The Multiple Entry and Exit system:

- Provides academic flexibility
- Supports lifelong learning
- Enables credit transfer through ABC
- Reduces dropout-related academic loss
- Promotes multidisciplinary education
- Enhances employability and career opportunities

This system ensures that students receive appropriate certification for every stage of learning completed under the NEP 2020 framework.

Note

At present, the College is offering only the Three-Year Undergraduate Degree Programme under the NEP 2020 framework. Students who successfully complete six semesters and fulfil all academic requirements, including Community Service Project (CSP) and Internship, shall be awarded the Bachelor's Degree in the respective discipline.

The Four-Year Honours / Honours with Research option may be introduced in future subject to the guidelines and approvals of the affiliating university and regulatory authorities.

6. UG PROGRAMMES -PROGRAMME STRUCTURE

The curriculum structure is designed under NEP 2020 and CBCS framework with emphasis on academic knowledge, practical exposure, employability, and holistic development.

Components of Curriculum

- Major/Core Courses
- Minor Courses
- AECC Courses
- Multidisciplinary Courses
- Skill Enhancement Courses (SEC)
- Ability Enhancement Courses
- Value Added Courses
- Environmental Education
- Internship / Project Work
- Community Service Projects

The curriculum promotes multidisciplinary learning, innovation, skill development, and research orientation.

Major Courses

Major Courses form the core component of the undergraduate programme and provide in-depth knowledge in the chosen discipline. These courses are designed to strengthen conceptual understanding, analytical abilities, practical exposure, and subject-specific competencies. Students study a series of core and elective papers throughout the programme that progressively build advanced knowledge and professional expertise.

The Major curriculum emphasizes:

- Strong theoretical foundations
- Laboratory and practical learning
- Research orientation
- Problem-solving abilities
- Critical and analytical thinking
- Subject specialization
- Career and higher education readiness

The major courses help students acquire academic excellence and professional competence in their respective disciplines while preparing them for employment, entrepreneurship, research, and postgraduate studies.

Minor Courses

Minor Courses provide interdisciplinary learning opportunities and broaden the academic exposure of students beyond their major discipline. Through the minor system, students gain additional knowledge and skills in allied or complementary subjects.

The objectives of Minor Courses are:

- To promote multidisciplinary education
- To encourage flexible learning pathways
- To provide broader career opportunities
- To develop cross-disciplinary competencies
- To enhance employability and knowledge integration

Minor courses help students explore diverse academic interests and develop a wider perspective that aligns with the principles of holistic education under NEP 2020.

Skill Enhancement Courses (SEC)

Skill Enhancement Courses are designed to equip students with practical, industry-oriented, and employability skills. These courses focus on experiential and application-based learning that supports career development and professional growth.

The SEC component includes courses such as:

- Introduction to Artificial Intelligence
- Application of Artificial Intelligence
- Design Thinking
- Problem Solving
- Communication Skills
- Digital Literacy
- Entrepreneurship Skills

These courses aim to:

- Improve technical and digital competencies
- Develop innovation and creativity
- Enhance critical thinking
- Strengthen communication and teamwork
- Build industry readiness
- Promote self-employment and entrepreneurship

Skill Enhancement Courses bridge the gap between academic learning and real-world professional requirements.

Multidisciplinary Courses

Multidisciplinary Courses enable students to study subjects outside their primary discipline and promote integrated learning experiences. These courses reflect the NEP 2020 vision of flexible and holistic education.

The multidisciplinary approach helps students:

- Gain broader intellectual exposure
- Develop interdisciplinary understanding
- Explore diverse academic domains
- Build creativity and adaptability
- Enhance analytical and social awareness

Students may choose courses from areas such as:

- Environmental Studies
- Economics
- Psychology
- Data Science
- Public Administration
- Nutrition
- Computer Applications
- Sociology

These courses encourage students to appreciate the interconnectedness of knowledge across disciplines and prepare them for evolving global and professional challenges.

Language Courses (AECC)

Ability Enhancement Compulsory Courses (AECC) in English and Modern Indian Languages are integral parts of the curriculum. These courses are designed to improve communication abilities, language proficiency, personality development, and professional communication skills.

The language curriculum includes:

- English Communication Skills
- Creative Writing
- Business Writing
- Journalistic Writing
- MIL (Telugu/Hindi/Sanskrit)

The objectives of AECC courses are:

- To strengthen reading, writing, listening, and speaking skills
- To improve professional and academic communication
- To enhance presentation and interpersonal skills
- To develop creative and critical expression
- To promote cultural and linguistic awareness

Language education plays a vital role in improving students' confidence, employability, and academic success.

Community Service Project (CSP)

The Community Service Project (CSP) is an important experiential learning component introduced under NEP 2020. The project encourages students to actively engage with society and develop social responsibility, leadership qualities, and civic consciousness.

Students are required to complete:

- Minimum 80 hours of community service activities

The objectives of CSP are:

- To promote social commitment and ethical values
- To develop empathy and civic responsibility
- To create awareness about societal issues
- To encourage community participation
- To build leadership and teamwork skills

Students may participate in:

- Health awareness programmes
- Environmental campaigns
- Literacy drives
- Rural development activities
- Women empowerment programmes
- Social outreach activities
- NSS/NCC initiatives

The CSP enables students to connect classroom learning with real-life social experiences and contribute positively to society.

Internship / Apprenticeship / OJT

Internship, Apprenticeship, or On-the-Job Training (OJT) is a mandatory experiential learning component that provides students with practical exposure to professional environments.

Students are required to complete:

- Minimum 180 hours / 8 weeks internship during the VI Semester

The internship programme aims to:

- Bridge the gap between theory and practice
- Provide real-world work experience
- Improve employability skills
- Develop workplace professionalism
- Enhance technical and managerial competencies
- Build confidence and career readiness

Students may undertake internships in:

- Industries
- IT Companies
- Laboratories
- Hospitals
- Banks and Financial Institutions
- NGOs
- Educational Institutions
- Government Organizations

The internship programme helps students gain practical knowledge, professional exposure, and industry interaction while preparing them for future careers and higher education opportunities.

7.EXAMINATION AND EVALUATION SYSTEM

St. Ann's College for Women follows a transparent, student-friendly, and continuous evaluation system in accordance with the guidelines of APSCHE, the affiliating university, and the CBCS framework. The Examination Committee of the College ensures smooth conduct of examinations and fair evaluation procedures.

Choice Based Credit System (CBCS)

The College follows the Choice Based Credit System (CBCS), which provides flexibility and interdisciplinary learning opportunities to students. Under CBCS, students can choose courses based on their interests, learning needs, and career goals.

CBCS aims to:

- Promote student-centric learning
- Encourage interdisciplinary education
- Enhance skill development and employability
- Provide academic flexibility
- Support continuous and comprehensive evaluation

The CBCS evaluation system consists of:

- Continuous Internal Assessment (CIA)
- Semester End Examination (SEE)

Continuous Internal Assessment (CIA)

Continuous Internal Assessment is conducted throughout the semester to evaluate students' academic performance, participation, and learning progress.

Weightage

- CIA carries **30%** of the total marks for each course.

Components of CIA

Component	Marks
Internal Examinations	20
Assignment	5
Attendance /Academic Activities like Seminars,GDs etc	5
Total	30

CIA includes:

- Internal Tests
- Assignments
- Seminars
- Classroom Participation
- Attendance

Semester End Examination (SEE)

Semester End Examinations are conducted at the end of each semester as per the schedule prescribed by the affiliating university.

Weightage

- SEE carries **70%** of the total marks for each course.

Examination Schedule

- Odd Semester Examinations (I, III, V) are generally conducted during **October / November**
- Even Semester Examinations (II, IV, VI) are generally conducted during **March / April**

Supplementary Examinations

- Supplementary examinations for odd semesters are conducted along with regular odd semester examinations.

- Supplementary examinations for even semesters are conducted along with regular even semester examinations.

Practical Examinations and Project Work

Practical examinations are conducted according to university guidelines. Practical work includes:

- Laboratory Work
- Project Work
- Field Work
- Practical Training
- Record Work

Important Guidelines

- Semester-end practical examination carries **50 marks**
- Students must attend practical classes regularly
- Students absent for practical examinations will lose marks for that semester
- Students may appear for the practical examination in the next academic year by paying the prescribed fee

The respective departments provide:

- Practical schedules
- Model question papers
- Laboratory guidelines

Assessment Methodology for Community Service Project (CSP)

The Community Service Project (CSP) undertaken after the First Year examinations is evaluated through internal assessment only. Each faculty member acts as a mentor for a group of students and monitors their activities, participation, and performance throughout the internship period.

The assessment is conducted for 100 marks and the grades obtained are included in the calculation of SGPA and CGPA.

Weightage of Assessment

Component	Weightage
Project Implementation	30%
Project Report	25%
Presentation / Viva	25%
Logbook & Participation	20%

Project Logbook

Each student must maintain an individual logbook recording day-to-day activities, fieldwork, observations, and participation during the internship period.

Assessment of the logbook is based on:

- Student's involvement and commitment
- Quality and originality of work
- Participation and teamwork
- Completeness and regular maintenance of records

Areas of Assessment

The Community Service Project assessment includes:

- Understanding community needs and development
- Conducting surveys and baseline studies

- Organizing awareness programmes
- Participation in service and outreach activities
- Community interaction and leadership
- Planning follow-up and improvement activities

Project Report

Students are required to submit a Project Report containing:

- Introduction and objectives
- Community profile and fieldwork details
- Problems identified during the survey
- Awareness and intervention programmes conducted
- Outcomes and observations
- Suggestions and recommendations
- Conclusion and references

Project Presentation

After completion of the internship, students shall give a presentation on:

- Activities undertaken
- Learning outcomes
- Community interaction experiences
- Findings and recommendations

The assessment process aims to encourage experiential learning, social responsibility, teamwork, leadership, and practical exposure through community engagement activities.

CSP Evaluation Criterion Maximum Marks

Activity Log / Logbook 20

Community Service Project Implementation 30

Mini Project / Project Report 25

Oral Presentation / Viva-Voce 25

Semester Internship (Long-Term Internship)

The Semester Internship is an integral part of the undergraduate programme under NEP 2020. All students are required to complete a long-term internship during the V or VI Semester as prescribed by APSCHE and the affiliating university.

Completion of the Semester Internship is compulsory for the award of the Degree.

Guidelines for Students

Students shall:

- Identify the internship organization in consultation with the Principal / Faculty Guide.
- Report to the internship organization as per the schedule given by the College.
- Maintain punctuality, discipline, and regular attendance throughout the internship period.
- Follow the rules and regulations of the internship organization.
- Wear the College Identity Card and prescribed uniform during the internship.

- Maintain professional behaviour and communication at the workplace.
- Regularly update the Internship Logbook / Programme Book in their own handwriting.
- Interact with supervisors and staff to understand organizational structure, policies, and work culture.
- Acquire practical knowledge, job skills, and professional competencies.
- Participate actively in the assigned work and complete all internship tasks sincerely.
- Maintain regular contact with the Faculty Guide and report daily activities through the assigned communication platform.

Students should remember that they represent the College during the internship period and must uphold the dignity, discipline, and reputation of the institution.

Any misconduct or indiscipline during the internship may result in withdrawal from the internship programme and disciplinary action by the College.

Internship Learning Objectives

The internship programme helps students:

- Gain practical industry exposure
- Develop technical and professional skills
- Improve communication and teamwork
- Understand workplace ethics and responsibilities
- Build confidence and employability
- Bridge the gap between theory and practice

Evaluation of Semester Internship

The Semester Internship is evaluated through both Internal and External Assessment.

Internal Assessment – 50 Marks

Sl. No.	Evaluation Criterion	Maximum Marks
1	Activity Log / Internship Record	10
2	Internship Performance Evaluation	30
3	Oral Presentation	10
	Total	50

External Assessment – 150 Marks

3	Viva-Voce Examination	50
	Total	150

Grand Total

Assessment Type Marks

Internal Assessment 50

External Assessment 150

Grand Total 200 Marks

The Semester Internship provides experiential learning opportunities and helps students develop professional competence, workplace readiness, leadership qualities, and career-oriented skills essential for future employment and higher education.

Credit System under CBCS

A Credit is the unit used to measure academic work.

Credit Structure

- One credit equals:
 - One hour of theory instruction per week, or
 - Two hours of practical work per week

The academic year consists of:

- 180 working days
- 90 instructional days per semester

Grading System

The College follows a 10-point grading system prescribed under CBCS.

Grade Table

Range of Marks Grade Points Letter Grade Performance

100	10.0	O	Outstanding
90 – 99	9.0 – 9.9	A+	Excellent
80 – 89	8.0 – 8.9	A	Very Good
70 – 79	7.0 – 7.9	B+	Good
60 – 69	6.0 – 6.9	B	Above Average
50 – 59	5.0 – 5.9	C	Average
40 – 49	4.0 – 4.9	P	Pass
Below 40	0	F	Fail
Absent	0	Ab	Absent

Semester Grade Point Average (SGPA)

Semester Grade Point Average (SGPA) indicates the academic performance of a student in a particular semester.

Calculation of SGPA

SGPA is calculated as:

$$SGPA = \frac{\sum(Credit \times Grade\ Point)}{\sum Credits}$$

SGPA is computed only when the student passes all courses in that semester.

Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) represents the overall academic performance of a student across all semesters.

Calculation of CGPA

$$CGPA = \frac{\sum Total\ Credit\ Points\ of\ all\ Semesters}{\sum Total\ Credits\ of\ all\ Semesters}$$

CGPA is calculated only if the student passes all courses in all semesters.

Conversion of SGPA into Percentage

The percentage of marks is calculated using the following formula:

$$Percentage\ of\ Marks = SGPA \times 10$$

The Examination and Evaluation System of the College ensures fairness, transparency, continuous assessment, and academic excellence while supporting holistic student development under the CBCS and NEP 2020 framework.

8. ATTENDANCE RULES & REGULATIONS

Attendance is an essential component of academic discipline and student success. In accordance with the guidelines of UGC, APSCHE, NAAC, and the affiliating university, all students are required to maintain regular attendance in all academic and co-curricular activities of the College.

Regular attendance reflects sincerity, discipline, commitment to learning, and active participation in the educational process.

Minimum Attendance Requirement

- Every student must maintain a minimum of **75% attendance** in each semester.
- Students who fail to maintain the prescribed attendance percentage may not be permitted to appear for the Semester End Examinations as per university regulations.
- Attendance shortage cases, if any, shall be considered only as per the rules and procedures prescribed by the affiliating university.

Attendance and Scholarship Eligibility

Maintaining the required attendance is mandatory for:

- Government Scholarships
- Fee Reimbursement Schemes

- Student Welfare Schemes
- Financial Assistance and Other Benefits

Students with shortage of attendance may become ineligible for such benefits.

Mandatory Attendance for Academic Activities

Attendance is compulsory for all academic and institutional activities including:

- Theory Classes
- Practical / Laboratory Sessions
- Internal Examinations
- Assignments and Seminars
- Project Work
- Community Service Project (CSP)
- Internship / Apprenticeship / OJT
