

Internships & Industry Exposure

Experiential learning is encouraged through internships, industrial visits, field work, and industry interaction programmes.

Internship Opportunities

- Industry-Based Internships
- NGO Internships
- Project Internships
- Summer Training Programmes
- Community Engagement Activities

Industry Exposure Activities

- Industrial Visits
- Field Trips
- Guest Lectures by Industry Experts
- Industry–Academia Interaction Sessions
- Live Projects and Case Studies

Such exposure helps students connect classroom learning with real-world applications.
